c. **S/M/WBE - EBO REQUIREMENTS**

Please note that all forms related to the EBO Program, including waiver forms and good faith effort documentation can be found at:

<http://discover.pbcgov.org/oebo/Pages/Documents.aspx>

Item 1 – Policy

It is the policy of the Board that all segments of its business population, including, but not limited to, small, local, minority and women owned businesses, have an equitable opportunity to participate in the County's procurement process, prime contract and subcontract opportunities. To that end, the Board adopted an Equal Business Opportunity Ordinance which is codified in Sections 2-80.20 through 2-80.30 (as may be amended) of the Palm Beach County Code, (EBO Ordinance) which sets forth the County's requirements for the EBO Program, and which is incorporated in this solicitation. A bidder must comply with the requirements contained in this Section for a bidder to be deemed responsive to the solicitation requirements. The provisions of the EBO Ordinance are applicable to this solicitation, and shall have precedence over the provisions of this solicitation in the event of a conflict.

Item 2 – Application of S/M/WBE Goals through Affirmative Procurement Initiatives (APIs)

a. **Application of API(s)**

The API(s) approved for this solicitation, including any applicable S/M/WBE goals are attached. Any bid that fails to comply with the API requirements included in this solicitation after the period allowed for waiver requests has lapsed shall be deemed non-responsive to the solicitation requirements.

b. **API Waiver Requests**

If Bidder is unable to comply with the API(s) requirements as set forth in this solicitation, such Bidder shall submit a request for a waiver or partial waiver at least seven (7) days prior to the bid due date as stated in the solicitation. If a bidder requests a waiver from an API requirement from the Office of Equal Business Opportunity (OEBO) at least seven (7) days prior to the bid due date, then the bid due date will be extended pending the outcome of a waiver request. Additionally, if the waiver is granted, the solicitation will be amended accordingly and the due date extended. After submission of a bid, if Bidder, through no fault of its own, is unable to meet the S/M/WBE participation specified in its bid, then Bidder must immediately seek substitute S/M/WBEs to fulfill the requirements and obtain the approval of the EBO Director. If, after reasonable Good Faith Efforts, as defined below, the Bidder is unable to find an acceptable substitute S/M/WBE, a post-bid opening waiver may be requested. The request shall document the reasons for the Bidder's inability to meet the goal requirement. In the event the Bidder is found not to have performed Good Faith Efforts, as defined below, in its attempt to find a suitable substitute for the initial S/M/WBE proposed utilization, one (1) or more of the penalties and sanctions as set forth in the EBO Ordinance may be applied.

c. **Good Faith Efforts**

Such waiver request shall include specified documentation that demonstrates satisfactory Good Faith Efforts, as defined below, were undertaken by Bidder to comply with the requirements as described under the selected API. The Good Faith Effort waiver request with instructions for submission to the OEBO, is located on the EBO website at <http://discover.pbcgov.org/oebo/Pages/Documents.aspx>. The OEBO shall review a waiver request within seven (7) days of receipt. The bid due date will be extended during this review period. If the OEBO determines that adequate Good Faith Efforts, as defined below, have been demonstrated by the Bidder to warrant a partial or total waiver of the API, then the solicitation shall be amended accordingly to reflect the partial or total waiver, and any bids received by the County in the interim shall be returned unopened. The amended solicitation shall then be advertised to all prospective Bidders and the bid due date extended. However, if the OEBO determines that the Bidder failed to submit documentation sufficient to demonstrate that Good Faith Efforts, as defined below, were undertaken by the Bidder to support its waiver or partial waiver request, the request for waiver or partial waiver shall be denied, and the solicitation shall remain unchanged. In the event of an adverse waiver or partial waiver request decision, the Bidder shall have the right to request reconsideration of the adverse decision by the Director OEBO, and if still aggrieved, shall be subsequently entitled to the process for an appeal to a Special Master as referenced in Section 2.-80.28 (b) of the EBO Ordinance. The solicitation due date shall be extended pending the OEBO Director's reconsideration and Special Master appeal process, if requested.

d. **Documentation Required for Good Faith Efforts**

Documentation means documentation of the Bidder's intent to comply with the applicable API(s), including, but not limited to, the following: (1) documentation as stated in the solicitation reflecting the Bidder's commitment to comply with S/M/WBE goals as established by the OEBO for a particular contract; or (2) documentation of efforts made toward achieving EBO program goals (e.g., solicitations of bids/proposals/qualification statements from all qualified S/M/WBE firms listed in the OEBO's directory of certified S/M/WBE firms; correspondence from qualified S/M/WBE firms documenting their unavailability to perform S/M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for S/M/WBE firms; documentation of a Prime Contractor's posting of a bond covering the work of S/M/WBE subcontractors; documentation of efforts to assist S/M/WBE firms with obtaining financing, bonding or insurance required by the Bidder; and documentation of consultations with trade associations and consultants that represent the interests of S/M/WBEs in order to identify qualified and available S/M/WBE subcontractors. Scoring of Good Faith Efforts documentation and administrative determinations regarding the adequacy of such Good Faith Efforts is the responsibility of the OEBO.

Item 3 – Bid Submission Documentation

S/M/WBE bidders, bidding as prime contractors or consultants, are advised that they must complete Schedule 1 and Schedule 2, listing the work to be performed by their own workforce, as well as the work to be performed by all subcontractor or subconsultant, including S/M/WBE subcontractors and subconsultants. Failure to include this information on Schedule 1 will result in the participation by the S/M/WBE prime bidders own workforce NOT being counted towards meeting the - S/M/WBE goal. This requirement applies even if the S/M/WBE bidder intends to perform 100% of the work with their own workforce.

Bidders are required to submit Schedules 1 and 2 with their bid in order to be deemed responsive to this solicitation. Subcontractor/subconsultant documentation shall be submitted as follows:

Schedule 1 - List of Proposed Subcontractors/ Subconsultants

A completed Schedule 1 submitted by the prime shall list the names of all Subcontractors/subconsultants intended to be used in performance of the contract, if awarded. The total proposed percentage of S/M/WBE participation shall also be included on this form. This schedule shall also be used if an S/M/WBE Prime Contractor/consultant is performing all or any portion of this contract with their work force.

Schedule 2 - Letter of Intent

A completed Schedule 2 is a binding document between the Prime Contractor/consultant and a Subcontractor/subconsultant (or any tier) and should be treated as such. The Schedule 2 shall contain bolded language indicating that by signing the Schedule 2, both parties recognize this Schedule as a binding document. Each Schedule 2 shall be properly executed by the Prime Contractor/consultant and by the proposed Subcontractor/subconsultant. If the Prime Contractor/consultant is an S/M/WBE, a Schedule 2 shall be submitted to document work to be performed by its workforce. All S/M/WBE(s) shall specify, in detail, the type of work they will perform along with the dollar amount they will be compensated and/or percentage of work they will perform. If any Subcontractor/subconsultant intends to subcontract any portion of their work, they are required to list the dollar amount and the name of the Subcontractor/subconsultant on this form. All named Subcontractors/subconsultants on this form must also complete and submit a separate Schedule 2. The Prime may count toward its S/M/WBE goal second and third tiered certified S/M/WBE(s); provided that the Prime Contractor/consultant submits a completed Schedule 2 form for each S/M/WBE.

A detailed quote or proposal may be attached with a signed Schedule 2.

Failure to submit a properly executed Schedule 1 and Schedule 2 will result in a bid/proposal being rejected as non-responsive to the solicitation.

In the event of a conflict between Schedules 1 and 2 when calculating S/M/WBE participation, the information provided on Schedule 2 shall have precedence.

In the event of mathematical error(s), the unit price, if available, shall prevail and the vendor's total offer shall be corrected accordingly. If the County's issuance of an alternate or change order on a project results in changes in the scope of work to be performed by a Subcontractor/subconsultant listed at the time of bid submission, the Prime must submit a, completed and properly executed Schedule 2 that specifies the revised scope of work to be performed by the Subcontractor/subconsultant, along with the price and /or percentage.

Item 4 – S/M/WBE Certification

Only those firms certified by Palm Beach County at the time of bid submission shall be counted toward the established S/M/WBE goals. Upon receipt of a completed application, **IT TAKES UP TO NINETY (90) BUSINESS DAYS TO BECOME CERTIFIED AS AN S/M/WBE WITH PALM BEACH COUNTY.** It is the responsibility of the bidder to confirm the certification of any proposed S/M/WBE; therefore, it is recommended that bidders visit the online Vendor Directory at www.pbcgov.org/oebo to verify S/M/WBE certification status. Firms must continue to recertify during the life of the contract as the County may only count toward the established goal, work performed by an S/M/WBE during the time their certification dates are valid.

Item 5 – Counting S/M/WBE Participation

a. Once a business is determined to be an eligible S/M/WBE according to the Palm Beach County certification procedures, the Prime Contractor/consultant may count toward its goals only that portion of the total dollar value of a contract performed by the S/M/WBE. Prior to issuance of this solicitation the total dollar value of a contract will be determined by the COUNTY by defining factors to be considered as value. Total dollar value of retail contracts shall be determined by Gross Receipts, as defined in the EBO Ordinance.

- b. Certified S/M/WBE participation will only count toward the established goal in a business category in which it does not exceed the size standard.
- c. The Prime Contractor/consultant may count toward the established goal a portion of the total dollar value of a contract with a joint venture, based on the clearly defined portion of the work to be performed by the certified S/M/WBE of the joint venture.
- d. If the lowest responsive, responsible bidder is a non-Glades business, all bids received from responsive, responsible Glades businesses will be decreased by 5%. The original bid amount is not changed. The 5% decrease given for the Glades Local Preference is calculated only for the purpose of determining local preference.

1. Prices offered must be the price for new merchandise and free from defect. Unless specifically requested in the bid specifications, any bids containing modifying or escalation clauses shall be rejected.
2. The price offered must be in accordance with the unit of measure provided on the bid response page(s). One (1) space or line requires only one (1) single, fixed unit price. Anything other than a single, fixed unit price shall result in the rejection of your bid.

 4. Bidder warrants by virtue of bidding that prices shall remain firm for a period of ninety (90) days from the date of bid submission to allow for evaluation and award.

IF THE CORRECTION IS NOT PROPERLY INITIALED, OR IF THE INTENT OR LEGIBILITY OF THE CORRECTION IS NOT CLEAR, THE BID SHALL BE REJECTED.**

An offer is mathematically unbalanced if it is based on prices which are significantly less than fair market price for some bid line item and significantly greater than fair market price for other bid line items. Fair market price shall be determined based on industry standards, comparable bids or offers, existing contracts, or other means of establishing a range of current prices for which the line items may be obtained in the market place. The determination of whether a particular offer or bid is materially unbalanced shall be made in writing by the Purchasing Director, citing the basis for the determination.

- j. Without limiting the foregoing, "discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination." Without limiting any other provision of the solicitation, it is understood and agreed that, if this certification is false, such false certification will constitute grounds for the County to reject the bid submitted by the bidder for this Solicitation, and to terminate any contract awarded based on the response.

To receive a local preference, bidders must have a permanent place of business within the County or the Glades, as applicable, prior to the County's issuance of the solicitation. Errors in the completion of this Certification or failure to submit this completed Certification will cause the bidder to not receive a local preference.

In instances where the bidder is exempt by law from the requirement of obtaining a Business Tax Receipt, the bidder must: (a) provide a citation to the specific statutory exemption; and (b) provide other documentation which clearly establishes that the bidder had a permanent place of business within the County or the Glades prior to the date of issuance of the solicitation.
