I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- (A) A contract (Contract) with Rio-Bak Corporation (Rio-Bak) in the amount of \$426,085 and 146 Calendar Days for the Miscellaneous Drainage Repairs project at Palm Beach International Airport (PBI); and
- (B) A Budget Transfer in the amount of \$55,233 in the Airport's Improvement and Development Fund, including a transfer from Reserves of \$55,233.

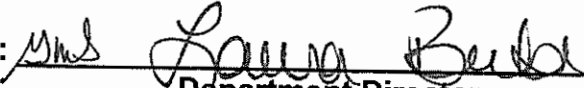

Summary: This project was advertised utilizing the County's competitive bid process. On March 31, 2022, two (2) bids were opened for the Miscellaneous Drainage Repairs project at PBI. Rio-Bak is located in Palm Beach County and has been identified as the lowest responsible/responsive bidder in the amount of \$426,085. This project consists of repair and replacement of existing drainage facilities at various locations within the property limits of PBI both inside and outside the airport perimeter security fence. The project was presented to the Goal Setting Committee on January 12, 2022 and an Affirmative Procurement Initiatives (API's) of 8% Small Business Enterprise (SBE) participation was applied. The Contractor has committed to 9.3% SBE participation. Pursuant to changes to Chapter 332, Florida Statutes, effective October 1, 2020, a governing body of a commercial service airport may not approve purchases of contractual services in excess of the Category Five threshold amount of \$325,000 provided in Section 287.017, Florida Statutes, on a consent agenda. This contract exceeds the threshold amount and must be approved on the regular agenda. Countywide (AH)

Background and Policy Issues: This project consists of repair and replacement of existing drainage facilities at various locations within the property limits of PBI both inside and outside the airport perimeter security fence. The repairs include replacement of existing drainage structures and stabilization of the banks along drainage conveyance canals. These repairs will extend the life of the drainage structures and minimize the effects of future erosion. Builder's Risk Insurance is not required for this project.

RE: PBC Project No. PB 22-1
PBI Miscellaneous Drainage Repairs
Palm Beach International Airport
Bid Tabulation and Contract Award Recommendation

Gary:

AECOM Technical Services, Inc. (AECOM) has reviewed the submitted bids for the referenced project. The established deadline for submission of bids was on March 30, 2022. The Bid Opening was conducted on March 31, 2022, at 2:00 PM.

Two (2) bids were received, from Rio-Bak Corporation and Ranger Construction Industries, Inc. Both Contractors have performed similar types of services as required by this Project, for the DOA, and each are qualified to perform the work included in this contract. The submitted Base Bid totals, along with the Engineer's Estimate and their Certification of Business Location (Attachment 5 to the Bid Form), are presented in the table below:

BIDDER	TOTAL BASE BID PRICE	LOCAL BUSINESS IN PALM BEACH COUNTY
Rio-Bak Corporation	\$388,595.00	✓
Ranger Construction Industries, Inc.	\$408,119.30	✓
Engineer's Estimate	\$454,600.00	

AECOM's bid review indicated that Rio-Bak Corporation and Ranger Construction Industries, Inc. completed the Bid Form and necessary attachments as required per the bid documents. These bid documents include: Addenda acknowledgment, Bid Bond, List of Subcontractors/Self-performed trends, Trench Safety Affidavit, Certification of Business Location, Unit Price Bid Form, and the E-Verify Certification. The EBO Program Schedules will be reviewed by the Palm Beach County Office of Equal Business Opportunity (OEBO). No bidders were identified as a Glades business.

AECOM's review of the bids indicated that Rio-Bak Corporation and Ranger Construction Industries, Inc. were mathematically correct. Based on the evaluation of the bidder's qualifications and the bids submitted, AECOM recommends the PBC DOA award the PB 22-1, PBI Miscellaneous Drainage Repairs Contract to the lowest bidder, Rio-Bak Corporation, contingent on the Palm Beach County OEBO review of the bid documents. The Bid Tabulation and the Bid Review Checklist for all bidders are attached.

If you have any questions, please feel free to contact me. We would be pleased to address any issues at your convenience.
