The "Cone of Silence" is in effect from the date / time of the deadline for submission of the bid, and terminates at the time that the Board of County Commissioners or a County Department authorized to act on their behalf, awards or approves a contract, rejects all bids, or otherwise takes action which ends the solicitation process.

3. Ensure that public records that are exempt, or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract, if the Bidder does not transfer the records to the public agency. Nothing contained herein shall prevent the disclosure of or the provision of records to the COUNTY.
4. Upon completion of the Contract, the Bidder shall transfer, at no cost to the COUNTY, all public records in possession of the Bidder unless notified by COUNTY's representative/liaison, on behalf of the County's Custodian, to keep and maintain public records required by the COUNTY to perform the service. - c. SBE BID DOCUMENT LANGUAGE**

Item 1 – Policy

It is the policy of the Board of County Commissioners of Palm Beach County, Florida, that SBE(s) have the maximum practical opportunity to participate in the competitive process of supplying goods, services and construction to the County. To that end, the Board of County Commissioners adopted a Small Business Ordinance which is codified in Sections 2-80.21 through 2-80.34 (as amended) of the Palm Beach County Code, which sets forth the County's requirements for the SBE program, and is incorporated in this solicitation. Compliance with the requirements contained in this section shall result in a bidder being deemed responsive to SBE requirements. The provisions of this Ordinance are applicable to this solicitation, and shall have precedence over the provisions of this solicitation in the event of a conflict. Although preferences will not be extended to certified M/WBEs, unless otherwise provided by law, businesses eligible for certification as an M/WBE are encouraged to maintain their certification in order to assist in the tracking of M/WBE availability and awards of contracts to M/WBEs. This information is vital to determining whether race and gender neutral programs assist M/WBE firms or whether race and gender preferences are necessary in order to address any continued discrimination in the market.

Item 2 – SBE Goals

The County has established a minimum goal of 15% SBE participation for all County solicitations, inclusive of all alternates and change orders. This goal is a minimum, and no rounding will be accepted.

Item 3 – Ranking of Responsive Bidders

Bidders who meet the SBE goal will be deemed to be responsive to the SBE requirement.

- a. In evaluating competitive bids or quotes between \$1,000 and one million dollars (\$1,000,000) where the low bidder is non-responsive to the SBE requirement, the contract shall be awarded to the low bidder responsive to the SBE requirement as long as the bid does not exceed the low bid amount by 10%. In the event there are no bidders responsive to the SBE requirement, the contract shall be awarded to the bidder with the greatest SBE participation in excess of seven percent (7%) participation, as long as the bid does not exceed the low bid amount by ten percent (10%).
- b. In evaluating bids in excess of one million dollars (\$1,000,000), where the low bidder is non-responsive to the SBE requirement, the contract shall be awarded to the low bidder responsive to the SBE requirements provided that such bid does not exceed the lowest responsive bid by more than one hundred thousand dollars (\$100,000) plus three percent (3%) of the total bid in excess of one million dollars (\$1,000,000). In the event there are no bidders responsive to the SBE goal, the contract shall be awarded to the bidder with the greatest SBE participation in excess of seven percent (7%) participation, provided that such bid does not exceed the lowest responsive bid by more than one hundred thousand dollars (\$100,000) plus three percent (3%) of the total bid in excess of one million dollars (\$1,000,000).

Item 4 – Bid Submission Documentation

SBE bidders, bidding as prime contractors, are advised that they must complete Schedule 1 and Schedule 2, listing the work to be performed by their own workforce, as well as the work to be performed by any SBE subcontractor. Failure to include this information on Schedule 1 will result in the participation by the SBE prime bidders own workforce NOT being counted towards meeting the SBE goal. This requirement applies even if the SBE contractor intends to perform 100% of the work with their own workforce.

Bidders are required to submit with their bid the appropriate SBE-M/WBE schedules in order to be deemed responsive to the SBE requirements. SBE-M/WBE documentation to be submitted is as follows:

Schedule 1 – List of Proposed SBE and M/WBE Participation

This list shall contain the names of the SBE Prime SBE and subcontractors intended to be used in performance of the contract, if awarded. This schedule shall also be used if an SBE prime bidder is utilizing ANY subcontractors.

(Only Job Order Contracting (JOC) contracts and Task Authorizations for annual contracts may be excluded from this requirement.)**Schedule(s) 2 – Letter(s) of Intent to Perform as an SBE or M/WBE Subcontractor**

A Schedule 2 shall be completed by the SBE Prime. A Schedule 2 shall be completed and signed by the proposed SBE subcontractor listed on Schedule 1. SBE Primes and SBE Subcontractors shall specify the type of work to be performed, the cost and / or percentage. If the SBE intends to subcontract any portion of the job to another certified SBE, or non-SBE, they are required to list the amount and the name of the subcontractor on this form. The Prime may count toward its SBE goal second and third tiered SBE subcontractors; provided that the Prime submits a completed Schedule 2 form for each SBE subcontractor. Additional sheets may be used as needed. In lieu of a Schedule 2, a detailed responsive proposal may be acceptable.

Item 5 – SBE Certification

Only those firms certified by Palm Beach County at the time of bid submission shall be counted toward the established SBE goals. Upon receipt of a complete application, **IT TAKES UP TO NINETY (90) DAYS TO BECOME CERTIFIED AS AN**

SBE WITH PALM BEACH COUNTY. It is the responsibility of the bidder to confirm the certification of any proposed SBE; therefore, it is recommended that bidders visit the on-line Vendor Directory at www.pbcgov.org/osba to verify SBE certification.

Item 6 – Counting SBE Participation (and M/WBE Participation for Tracking Purposes)

- a. Once a firm is determined to be an eligible SBE according to the Palm Beach County certification procedures, the County or the Prime may count toward its SBE goals only that portion of the total dollar value of a contract performed by the SBE. Prior to issue, total dollar value of a contract will be determined by the PBC user department by defining factors to be considered as value. Total dollar value of retail contracts shall be determined by Gross Receipts.
- b. The County may count toward its SBE goals the total value of a contract awarded to an eligible SBE firm that subsequently is decertified or whose certification has expired after a contract award date or during the performance of the contract.
- c. The County or Prime may count toward its SBE goal a portion of the total dollar value of a contract with a joint venture, eligible under the standards for certification, equal to the percentage of the ownership and control of the SBE partner in the joint venture.
- d. The County or Prime may count toward its SBE goal the entire expenditures for materials and equipment purchased by an SBE subcontractor, provided that the SBE subcontractor has the responsibility for the installation of the purchased materials and equipment.
- e. The County or Prime may count the entire expenditure to an SBE manufacturer (i.e., a supplier / distributor that produces goods from raw materials or substantially alters the goods before resale).
- f. The County or Prime may count sixty percent (60%) of its expenditure to SBE suppliers / distributors that are not manufacturers.
- g. The County or Prime may count toward its SBE goal second and third tiered SBE subcontractors; provided that the Prime submits a completed Schedule 2 form for each SBE subcontractor.
- h. The County or Prime may only count toward its SBE goal the goods and services in which the SBE is certified and performs with its own forces.

Item 7 – Responsibilities After Contract Award**Schedule 3 – SBE-M/WBE Activity Form**

This form shall be submitted by the prime contractor with each payment application when SBE subcontractors are utilized in the performance of the contract. This form shall contain the names of all SBE subcontractors, specify the subcontracted dollar amount for each subcontractor and show amount drawn and payments to date issued to subcontractors. This form is intended to be utilized on all non-professional services contracts.

Schedule 4 – SBE-M/WBE Payment Certification

A Schedule 4 for each SBE sub shall be completed and signed by the proposed SBE after receipt of payment from the Prime. If a SBE subcontractor intends to disburse any funds associated with this payment to any subcontractor for labor provided on this contract, the amount and name of the subcontractor must be listed on this form. In addition, if the named subcontractor is a certified SBE, then a Schedule 4 shall be completed and signed by the named SBE after receipt of payment from the SBE subcontractor. When applicable, the Prime shall submit this form with each application submitted to the County for payment to document payment issued to a sub

in the performance of the contract.

All bidders hereby assure that they will meet the SBE participation percentages submitted in their respective bids with the subcontractors contained on Schedules 1 and 2 and at the dollar values specified. Bidders agree to provide any additional information requested by the County to substantiate participation.

The successful bidder shall submit an SBE-M/WBE Activity Form (Schedule 3) and SBE-M/WBE Payment Certification Forms (Schedule 4) with each payment application. Failure to provide these forms may result in a delay in processing payment or disapproval of the invoice until they are submitted. The SBE-M/WBE Activity Form is to be filled out by the Prime Contractor and the SBE-M/WBE Payment Certification Forms are to be executed by the SBE or M/WBE firm to verify receipt of payment.

Item 8 – SBE Substitutions

After contract award, the successful bidder will only be permitted to replace a certified SBE subcontractor who is unwilling or unable to perform. Such substitution must be done with other certified SBE's in order to maintain the SBE percentages submitted with the bid. Requests for substitutions must be submitted to the user Department and OSBA.

- d. **LOCAL PREFERENCE ORDINANCE:** In accordance with the Palm Beach County Local Preference Ordinance, a preference may be given to (1) bidders having a permanent place of business in Palm Beach County or (2) bidders having a permanent place of business in the Glades that are able to provide the goods or services within the Glades.

1. **Glades Local Preference:** Pursuant to the Palm Beach County Local Preference Ordinance, a 5% Glades Local Preference is given when a Glades business offers to provide the goods or services that will be procured for use in the Glades. If the lowest responsive, responsible bidder is a non-Glades business, all bids received from responsive, responsible Glades businesses will be decreased by 5%. The original bid amount is not changed. The 5% decrease given for the Glades Local Preference is calculated only for the purpose of determining local preference.
2. **Local Preference:** Pursuant to the Palm Beach County Local Preference Ordinance, a 5% Local Preference is given to bidders having a permanent place of business in Palm Beach County. If the lowest responsive, responsible bidder is a non-local business; all bids received from responsive, responsible local businesses will be decreased by 5%. The original bid amount is not changed. The 5% decrease given for the Local Preference is calculated only for the purpose of determining local preference.
3. To receive a Glades Local Preference or a Local Preference (collectively referred to as "local preference"), a bidder must have a permanent place of business in existence prior to the County's issuance of this Notice of Solicitation / Invitation for Bid. A permanent place of business means that the bidder's headquarters is located in Palm Beach County or in the Glades, as applicable; or, the bidder has a permanent office or other site in Palm Beach County or in the Glades, as applicable, where the bidder will produce a substantial portion of the goods or services to be purchased. A valid Business Tax Receipt issued by the Palm Beach County Tax Collector is required, unless the bidder is exempt from the business tax receipt requirement by law, and will be used to verify that the bidder had a permanent place of business prior to the issuance of this Notice of Solicitation / Invitation for Bid. In addition, the attached "Certification of Business Location" and Business Tax Receipt must accompany the bid at the time of bid submission. The Palm Beach County Business Tax Receipt and this Certification are the sole determinant of local preference eligibility. Errors in the completion of this Certification or failure to submit this completed Certification will cause the bidder / proposer to not receive a local preference.

- e. **DRUG FREE WORKPLACE CERTIFICATION:** In compliance with Florida Statute (Section 287.087) attached form "Drug-Free Workplace Certification" should be fully executed and submitted with bid response in order to be considered for a preference whenever two (2) or more bids which are equal with respect to price, quality, and service are received by Palm Beach County.

- f. **CONDITIONED OFFERS:** Bidders are cautioned that any condition, qualification, provision, or comment in their bid, or in other correspondence transmitted with their bid, which in any way modifies, takes exception to, or is inconsistent with the specifications, requirements, or any of the terms, conditions, or provisions of this solicitation, is sufficient cause for the rejection of their bid as non-responsive.

- g. **PRICING:**

1. Prices offered must be the price for new merchandise and free from defect. Unless specifically requested in the bid specifications, any bids containing modifying or escalation clauses shall be rejected.
2. The price offered must be in accordance with the unit of measure provided on the bid response page(s). One (1) space or line requires only one (1) single, fixed unit price. Anything other than a single, fixed unit price shall result in the rejection of your bid.
3. All unit prices bid should be within two (2) decimal points. If bidder's pricing exceeds two (2) decimal points, Purchasing reserves the right to round up or down accordingly.
4. Bidder warrants by virtue of bidding that prices shall remain firm for a period of ninety (90) days from the date of bid submission to allow for evaluation and award.
5. Bidder warrants by virtue of bidding that prices shall remain firm for the initial and any subsequent term unless modified by a special condition.
6. In the event of mathematical error(s), the unit price shall prevail and the bidder's total offer shall be corrected accordingly. **BIDS HAVING ERASURES OR CORRECTIONS MUST BE INITIALED BY THE BIDDER PRIOR TO BID SUBMISSION. IF THE CORRECTION IS NOT PROPERLY INITIALED, OR IF THE INTENT OR LEGIBILITY OF THE CORRECTION IS NOT CLEAR, THE BID SHALL BE REJECTED.**
7. Bidders may offer a cash discount for prompt payment. However, such discounts shall not be considered in determining the lowest net cost for bid evaluation purposes unless otherwise specified in the special conditions. Bidders should reflect any discounts to be considered in the unit prices bid.

- h. **SUBMITTING NO BID or NO CHARGE:** Bidders not wishing to bid on some items sought by this solicitation should mark those items as "no bid". If some items are to be offered at no charge, bidders should mark those items as "no charge".
