I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: a Third Amendment to Contract for Operation and Maintenance of Baggage Handling Systems with ERMCA Aviation LLC (ERMCA) at the Palm Beach International Airport (PBI) per Master Agreement #16-013R/LJ (R-2016-1619, as amended) (Contract) extending the Contract by one additional year to November 27, 2022, increasing the total not to exceed amount by \$2,142,540.

Summary: The Contract provides for the operation, maintenance, and repair of all inbound and outbound automated Checked Baggage Inspection Systems/Checked Baggage Reconciliation Areas (CBIS/CBRA) and manual sortation Baggage Handling Systems (BHS) and their related equipment at PBI. The Contract expires on November 27, 2021 with no renewal options. The total contract amount for the initial five-year term was \$9,738,657.16 with \$6,909,698.38 expended. ERMCA is located in Atlanta, Georgia. The Contract was established through a competitive solicitation. This Amendment provides for a one-year extension of the contract term to November 27, 2022. This Amendment will provide sufficient time for the issuance of a new competitive solicitation by the Purchasing Department, which was delayed due to workload reprioritization and the periodic non-availability of staff as a result of the COVID-19 pandemic. This Amendment will increase the total contract amount to \$11,881,197.16. The BHS is critical to on-going airport operations and security, requiring specialized technical knowledge for its operation, maintenance and repair. Accordingly, failure to extend this Contract would result in a substantial loss to the airport as contemplated by Section 332.0075, Florida Statutes. The Contract was advertised pursuant to the Small Business Enterprise (SBE) Ordinance in place at the time with an SBE goal of 15%. ERMCA committed to 20% SBE participation. The cumulative SBE participation to date is 21.64%. Pursuant to changes to Chapter 332, Florida Statutes, a governing body of a commercial service airport may not approve purchases of contractual services in excess of the Category Five threshold amount of \$325,000 established by Section 287.017, Florida Statutes, on a consent agenda. The contract amounts exceed the threshold amount and must be approved on the regular agenda. Countywide (AH)

Background and Policy Issues: The BHS provides for the sortation and conveyance of checked baggage from the ticket counters to baggage makeup areas. The CBIS, as part of the BHS, begins when bags are diverted from the infeed mainline conveyor for inspection and ends when bags are merged back onto the outbound mainline conveyor for delivery to the airlines for transport. When bags are alarmed by the screening equipment they are sent to the CBRA room for further investigation by the Transportation Security Administration prior to processing to the airline for transport. The BHS system also provides for the delivery of baggage to carousels for passenger pick up.
