Good Morning Ms. Becker,  
The traffic you are experiencing over your area is due to the Temporary Flight Restrictions which are imposed to insure the security of the President during his visit.  
Thank you for your comments.

<b>Comments:</b>	Why are there so many Planes flying over my house? Is it because Trump is in town? Usually a few planes come our way when it is windy or bad weather. Sometimes small planes. But this afternoon is is Jet after Jet. Have the routes changed? Please let me know. Thank you, Heather Becker 920 Almeria Road WPB FL 33405
