Ms. Magleora,

The traffic overlying your area is arriving and departing PBI. Please review the attached flight track illustrations. Please feel free to contact me. Thank you.

Casandra R. Davis
Manager, Noise Abatement & Community Affairs
846 Palm Beach International Airport
West Palm Beach, Florida 33406
Office: (561) 471-7468 / Fax: (561) 471-7427

Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in writing. Noise comments and responses received at this e-mail address will not be published to pbia.org. If you wish to have your comments and the response published to the website, please submit to: www.pbia.org/contact-us/noise-comments/

Thank you,
Lacy Larson
Director, Airports Marketing

Comments: I've tried to contact numerous agencies about airplane noise, in PBG. Somehow my neighborhood is now, in the flight path for what appears to be PBIA and Fort Lauderdale air traffic. The planes are non stop. The noise level is very high and can be heard, in the home, with windows closed. Good luck trying to lay down during day, going to bed early or sleeping, in late for me. Who can I file a complaint with?
