I am requesting a number or email for someone, in a higher position. Someone at the main office not PBI. I'm tired of getting 5 hours a sleep a day due to the air traffic noise, in my home.

Ms. Magleora,

The traffic overflying your area is arriving and departing PBI.  
Please review the attached flight track illustrations.  
Please feel free to contact me.

Comments: I've tried to contact numerous agencies about airplane noise, in PBG. Somehow my neighborhood is now, in the flight path for what appears to be PBIA and Fort Lauderdale air traffic. The planes are non stop. The noise level is very high and can be heard, in the home, with windows closed. Good luck trying to lay down during day, going to bed early or sleeping, in late for me. Who can I file a complaint with ?
