Ms. Casper,

In response to your inquiry (below). We are working with Stellar Aviation in efforts to find a resolution to this activity.

Submitted 1/31/2017

We are being barraged by low flying helicopters from LNA for several days now.

This is against County Flight Standards which carry the County Seal of Trust ON them

We apologize for the delayed response to your comment as we have made technical changes to the website.

Thank you for your comments.
