Ms Rohan,

During the use of RWY 14/32 (this runway is situated from northwest to southeast on airport) you will see aircraft over your area.

This is a secondary runway.

Thank You for your comments

Comments:	I am sick of the flight pattern over my house.. I live at 5823 Churchill circle west and every 3 minutes there is a plane over my house.i have complained before and it did nothing. I have lived here since 2002 and have never had to endure this inconvenience. I have no privacy in my

back yard and that is why I moved here. I am afraid of a plane crashing into my house. Please let me know when this will end. Sincerely, Carrie Rohan
