

**Notice of Proposed Airport Concession Disadvantaged Business Enterprise
FY 2021-2023 Overall Goal for the Palm Beach International Airport**

The Palm Beach County Department of Airports is in the process of establishing its Overall Airport Concession Disadvantaged Business Enterprise (ACDBE) Participation Goals for Non-Car Rental Concessions and Car Rental Concessions for Federal Fiscal Years 2021-2023. The goals and methodology were developed in accordance 49 CFR Part 23.

Based upon a review of historical information and a review of the relative availability of ACDBE firms within the identified Market Area for individual concession opportunities, a Non-Car Rental Concession Goal of 14.68% and a Car Rental Concession Goal of 2.72% for Federal Fiscal Years 2021-2023 will be submitted to the Federal Aviation Administration (FAA) for approval.

As a part of the goal setting process, the Palm Beach County Department of Airports will be hosting a Consultation Webinar to discuss the Overall Airport Concession Disadvantaged Business Enterprise (ACDBE) Goals. The purpose of this Consultation Webinar is to seek information concerning the availability of disadvantaged and non-disadvantaged businesses, the effects of discrimination on opportunities for ACDBE's, and the Department's efforts to establish a level playing field for the participation of ACDBE's in Department contracts and projects.
