PBI Authorized Signatory Information Handbook

Name of Authorized Signer: _______________________________

Authorized Signatory Training Date: ________________________
Introduction

This handbook was created to assist all Authorized Signatories in navigating their responsibilities, to serve as a reference and to provide a comprehensive guide to locate answers to any questions you may have. This handbook should be considered a living document, which means any and all information is subject to change. The Airport Security Office will share changes and updates through emails to the Authorized Signatories and through the Airport website: http://www.pbia.org/business.airport-id-badging/.

Authorized Signatories must attend annual training per TSA guidelines. Within one year following their initial training, recurrent training must be completed. This required training will be administered by the PBI Security Office staff.

All Authorized Signatories are required to submit their company’s Authorized Signatory Letter.

We encourage you to contact the Security Badge Office at (561)471-7481, or securitybadgeoffice@pbia.org for any questions or concerns that may not be included in this handbook.

Authorized Signatory Requirements

Authorized Signatories are designated by each company participating in the Airport Security Program. Primary responsibilities are to ensure your employees are properly applying, and remain in compliance with, TSA and Airport Security policies. Failure to comply with, or falsification associated with, TSA Federal regulations could result in civil penalties up to $13k. The following are additional requirements as an Authorized Signer:

A. Maintain and provide the most current PBIA Security Identification Badge Application to the employees of the company you represent.

B. Request and maintain only the appropriate access levels and/or driving privileges for employees of the company you represent, based on an operational need.

C. Only request non-movement, or movement driving privileges for authorized individuals with a demonstrated need to access the PBIA airfield.

D. Instruct & verify applicants provide the appropriate valid two forms of identification/documentation for the fingerprinting, badge issuance and badge renewal process.

E. Ensure company applicants are trained on, understand, and remain compliant with all applicable TSA regulations and PBIA ID Media rules and regulations, to include any, and all new security changes and regulatory requirements. As the Authorized Signatory you are responsible for ensuring all your employees receive updated/changes to Airport Security/Driving regulations.

F. Attest that you have reviewed all applications for accuracy, the applicant has demonstrated need for the requested access level, and you have authorized PBIA to fingerprint and badge your employee.

G. Never sign a blank PBIA Unescorted Badge Application.

H. Respond to PBIA Security Office and TSA audits and requests for information within the designated timeframe allocated.
I. Review the PBIA Authorized Signatory Handbook and confirm you will abide by all rules, standards, and policies set forth in the handbook.

J. Immediately notify the PBIA Security Office of any unaccounted for ID media (lost, stolen, etc...).

K. Ensure that the list of Authorized Signatories contact information remains current at all times with the PBIA Badge Office, and that you notify the office of any Authorized Signatory changes.

L. Never knowingly approve someone for an application process who has been convicted of a TSA disqualifying crime within the last ten years.

M. Acknowledge and understand that the company you represent could be invoiced for any fees incurred by the badge applicant, or any non-returned badges.

N. Attest that a specific need exists for providing the individual applicant with the requested PBIA Unescorted Access Authority, and the applicant understands their security responsibilities.

O. Ensure that all PBIA Security ID Media, and control access keys, are immediately revoked/returned to the Badge Office upon separation of employee from the company, and a reason of separation is provided.

P. Immediately notify the Security Office when an employee’s work status has changed (furlough, suspension, etc...).

To be an Authorized Signatory for your company the following must occur, and be maintained at all times:

1. Complete, pass, and maintain a CHRC and STA background check.
2. Complete an initial PBIA Signatory Training Class.
3. Fully complete, provide, and maintain the PBIA Security Office an Authorized Signatory Letter for your company.
4. Complete the recurrent PBIA Signatory Training Class on the annual basis.
5. Complete Security Training Class (if applicable).
