

Pensacola International Airport's current air service and the markets they serve as of **April 1, 2021**. All schedules are subject to change due to load factors, weather, and seasonality. For accurate and up-to-date information, it is best to check your airline's website or the PNS website at www.flypensacola.com.

Federal mandates are in place that require all guests and passengers to wear masks while at the airport and during flights. Visit your destinations website for more information about COVID-19 requirements that may be in place at your destination.
