Black-Owned Peoria is Discover Peoria's evolving answer to the question we asked ourselves in 2020: What can we do to help Black businesses in the Peoria region and increase the quality of life of our residents?

We searched for viable, tourism-related, Black-owned businesses in our region. We met owners, conducted interviews and completed photoshoots. We then created media attention, a dedicated webpage and the map you are holding.

Now that we have connected with you, allow us to direct you to some of the best, award-winning and savvy businesses Peoria has to offer. We are confident you will agree!
