2 DAYS

MAYO LAKE

LAKESIDE WEEKEND

Things you will need: tent (unless renting cabin or RV site), general camping and overnight supplies, fishing poles and accessories, frisbees for disc golf

Tent or Cabin?

Up to you! Mayo Park offers RV campsites, primitive tent sites, cabins, and tent sites with electricity – all of which are within walking distance of showers and restrooms. Make sure you check in with a park employee.

Contact the Mayo Lake Park Office for rentals at (336) 597-7806, Mon-Sat 8:30 AM - 5 PM

Gather Provisions

Before heading to your reserved campsite of choice, stop in the SP Gentry Store in Roxboro, NC to get your supplies. A charming classic country grocery store, they have everything from overalls to pickles.

Take a Hike

Once you're settled in at camp, take a good leg-stretching walk and get a look at all of the park's amenities. There are a total of 9 trails that take you through the scenic forest, around the campground and along the lakeside – and remember to **stick to the trail**.

Go Fishin'

Mayo Lake is a great fishing spot with countless access points and an ADA accessible fishing pier. You can catch many different species of freshwater fish, including bass, catfish, crappie, sunfish, and bluegill.

Sundown Fun

Before you turn in for the night, have a fire, do some stargazing, or tell scary stories in the dark – whatever floats your boat! Get a good night's sleep, because tomorrow is full of fun.

LAKESIDE WEEKEND

Breakfast

Make your breakfast on the grill or over the campfire! If you find yourself needing more supplies, take the short trip to Spicy & Big J's Mayo Marina – they also have fishing gear.

The Road Less Paddled

Take advantage of Mayo Park's two launch areas and travel from your campsite to other areas of the park by canoe, kayak (both available for rent) or paddleboard. Spend a while on the water exploring, fishing or swimming.

Lunch & Check Out

After enjoying one more meal lakeside, it's time to pack up and check out of the park. Be sure to **leave it as you found it**, and **trash your trash**!

OPTIONAL:

Sasquatch Disc Golf

Test your skills on the Sasquatch Disc Golf course that weaves around the lake. There are 18 holes, 3 of which use the lake for high-risk (but high-reward) shots. Don't worry, alternatives are available in case you don't want to sink a frisbee! Find the course map on the Person County Website, or scan the QR Code.
