Little Creatures Elizabeth Quay to Open this November

Three Pound Group and Lion bring one of WA's most iconic brewing names to the heart of Perth's waterfront precinct.

Three Pound Group and Lion are proud to announce the upcoming opening of *Little Creatures Elizabeth Quay*, a landmark hospitality venue opening on Tuesday, November 25th, that will bring one of Western Australia's most iconic brewing names to the heart of the Perth CBD.

Set within the waterfront development by Brookfield Properties and Cbus Property, the venue at Nine The Esplanade represents the next exciting step in the longstanding partnership between Three Pound Group and Little Creatures. Building on the success of The Camfield, Australia's largest pub and a much-loved microbrewery, the new venue combines world-class design with a uniquely West Australian character, celebrating the very best of WA hospitality with a true "for West Aussies, by West Aussies" spirit.

Little Creatures Elizabeth Quay has been designed to be more than a hospitality venue; it is set to play a central role in shaping the identity of Perth's premier waterfront precinct. With construction nearing completion, the venue will open its doors this November, welcoming both locals and visitors to experience the very best of WA food, drink and atmosphere against the backdrop of sweeping Quay views.

The expansive venue spans more than 500 square metres of internal space, incorporating a central bar and vibrant dining areas, complemented by a further 390 square metres of alfresco zones. Guests will enjoy a mix of banquet seating, high and low tables, weatherproof outdoor areas and large screens both indoors and out, making it equally suited to casual catch-ups, family outings, live sport and special occasions.

At the heart of the food offering is a menu designed to showcase West Australian produce and cater to a wide range of tastes. Guests can expect a diverse selection of share plates, modern pub classics, stone-baked pizzas, seasonal salads and premium cuts from the grill. Indulgent desserts and family-friendly options round out the menu, ensuring there is something for everyone, from beer enthusiasts seeking the perfect food match to families enjoying a relaxed waterfront meal. The beverage program reflects the same balance of breadth and quality, anchored by Little Creatures' iconic range of beers. These sit alongside a thoughtfully curated wine list featuring local and international producers, as well as house cocktails and timeless classics.

Three Pound Group has established itself as one of Western Australia's leading hospitality operators, with a portfolio that includes The Reveley, The Stables, The Elford, Good Company and The White Horse Tavern in Baldivis. Each venue is designed to embody the principles of inclusivity, comfort and simplicity, with layouts that cater to groups of all sizes, spaces that are kid- and pet-friendly, and programming that reflects the lifestyle and tastes of West Australians. This consistency has made their venues some of the most sought-after destinations across Perth, known for delivering high-quality experiences that feel welcoming and familiar.

The arrival of Little Creatures Elizabeth Quay comes at a time when Perth is cementing its reputation as a leading destination for food, drink and lifestyle. By combining one of WA's most

iconic beer brands with Three Pound Group's expertise in venue creation, the new space is poised to become a vibrant meeting place for locals and visitors alike, contributing to the energy and growth of the precinct. Beyond the dining and drinking experience, the venue will provide a platform for live music, sporting events and community gatherings, further reinforcing Elizabeth Quay's role as a hub of activity and connection.

"We first came to Elizabeth Quay with The Reveley back in 2015, when the precinct was still in its early stages. Since then, it's grown into a thriving precinct – so when the opportunity came up to take on this space at Nine The Esplanade, we jumped at it. It's the perfect location to extend our partnership with Lion and bring Little Creatures to the heart of the Quay. We're proud to contribute to the continued growth of Elizabeth Quay and to strengthen Three Pound Group's footprint in Perth's hospitality scene." – Tim McLernon, General Manager of Three Pound Group

With construction nearing completion, the November opening marks the beginning of a new chapter in Perth's hospitality story – one that blends world-class design and dining with a uniquely West Australian spirit.

About Little Creatures

Little Creatures brewing was born out of the love of great beer shared by a few good mates. In particular, it was a hop driven pale ale they tasted in the north west of the U.S that really captured their hearts and gave rise to this little brewery that began on the water's edge in Fremantle.

After many trials and experimentations, our first beer, Little Creatures Pale Ale, was proudly tapped at our home in WA in 2001. Throughout the years, Little Creatures have created a little family of beers that it brews today with the same enthusiasm and drive as the day it began.
