

# City of Subiaco and Oh Hey WA Launch Exciting New Walking Tour Series

**For immediate release.**

Local tour operator Oh Hey WA, with the support of See Subiaco, is launching an exciting new series of guided walking tours, designed to encourage further exploration of the area and support local businesses.

The tours will run from October 2025 to May 2026, showcasing Subiaco's unique high street, stunning public art and diverse calendar of events. The tours are thoughtfully aligned with local events or activations, providing an exciting opportunity for guests to further engage with everything Subiaco has to offer.

The tour series kicks off on Friday, October 17th, with the Subi Art Walk, a featured part of the Perth Art Weekend program. Guests will discover incredible murals and arrive at Postal Walk to enjoy a free outdoor jazz concert.

The fun continues throughout the year with a diverse calendar of tours. On Saturday, October 25th, join the "Walk to UnWined" tour, an art walk that concludes at the popular UnWined Subiaco food and wine festival. Other upcoming tours include a family-focused "Spookiaco" Halloween tour, Murals, Music and Market tours aligned with the Jazz Festival and Subi Night Markets, and Festive Sundowner tours - the perfect way to celebrate the holiday season with friends.

City of Subiaco Mayor David McMullen said the tours would provide a unique opportunity to enjoy curated experiences of Subiaco and its impressive arts and culture scene.

*“Between our extensive calendar of destination events, activations, street art and countless cafes, bars, restaurants and retailers, there’s no shortage of things to explore and enjoy in Subiaco.*

*“Subiaco is known for its walkability and village-like atmosphere so these tours are the ideal way to showcase our City’s rich offerings for people of all ages.*

*“Whether you’re a foodie, art lover or looking for something fun and different to entertain the kids, there’s a tour you’re sure to enjoy.”*

Oh Hey WA are also excited about this opportunity:

*"We are incredibly proud to be part of Subiaco's events calendar and believe these tours will help people see the area in a whole new light," said Oh Hey WA's founder, Adie Chapman. "There's a great buzz in the area, and so many hidden gems to discover. We encourage anyone who hasn't visited Subiaco in a while, to join us and experience this vibrant pocket of Perth ."*
