THE VINES RESORT UNVEILS 'ROOS & SNOOZE' PACKAGE: COMBINING ICONIC AUSTRALIAN WILDLIFE WITH SWAN VALLEY LUXURY

The Vines Resort has launched its new 'Roos & Snooze' getaway package, offering travel trade partners, inbound operators and Perth visitors an authentic Australian wildlife experience paired with a resort style getaway just 25 minutes from the Perth CBD. Designed to showcase the best of Western Australia's oldest wine region along with the natural wildlife, the package pairs overnight resort accommodation with buffet breakfast along with the popular Kangaroo Safari enjoyed across the resort's golf course.

The package highlight is a guided 4pm Kangaroo Safari where guests view wild kangaroos in their natural habitat driving their own golf buggy on the fairways. During the safari, guests will have the opportunity to witness kangaroos in their natural habitat, as well as learn fascinating facts about the Western Grey Kangaroo from knowledgeable guides. With stunning views of the setting sun casting a golden glow over the landscape, the Kangaroo Safari promises to be a great experience for visitors of all ages.

Included in the package is an overnight stay in a spacious Resort King Room for two guests, full buffet breakfast for two in Muscats Restaurant and complimentary add ons such as free resort parking and Wi-Fi. Guests can also make use of the resort facilities including swimming pool, tennis & squash, gym, mini golf course, on-site day spa, dining outlets and much more.

"Our Roos & Snooze package is designed to provide tourists with a unique adventure that is the perfect way to enjoy the Swan Valley," said Phil Richards, General Manager of The Vines Resort.
