

Whales and Other Marine Mammals in Pismo Beach

- Gray whales are best seen migrating along the Pismo coast from December to April.
- Humpback, Minke, and Blue whales, Orcas, Dolphins, Porpoises, Harbor and Northern Elephant seals, California Sea Lions, and Southern Sea Otters, can be seen year round from the Pismo Beach Pier.

Marine Wildlife Viewing Safety Guidelines

- Keep a safe distance of at least 100 yards and use binoculars for closer viewing.
- Do not swim with, ride, pet, touch, or attempt to interact with any marine mammals.
