

PORT EVERGLADES TARIFF NO. 12

Item No. 1009–Damage to Facilities and Equipment.

Issue No. 6

Effective Date: October 1, 2022

Damage to the Port Everglades Department facilities and equipment is to be reported immediately at time of occurrence via telephone to the Broward Sheriff's Office and to the Harbormaster office at Port Everglades by the user of the equipment or facility. In the case of damage caused by vessels, said report is to be made by the Franchised Agent or Vessel Representative to both the Broward Sheriff's Office and the Harbormaster office. Failure to report damage will result in a charge of one thousand two hundred forty-five dollars (\$1,245.00) for each incident.

Port Users are liable for any and all damage they may cause to facilities or equipment in Port Everglades (whether such damage are the result of acts, omissions, or otherwise). Port Users, tenants, steamship agents, and Vessel Representatives must, at Broward County's option, either repair said damage to Broward County's satisfaction or reimburse Broward County for expenses and costs incurred in correcting same. If the option to repair is granted to the responsible party, Port Everglades Department personnel will periodically inspect the repair work to ensure that the repairs are done to the satisfaction of the Port Everglades Department. The responsible party will be billed for the inspections in increments of a minimum of one (1) hour for each inspection at rates contained in Tariff Item No. 1110.
