Welcome to Port Everglades

Port Everglades Has Eyes on 2020 and Beyond

It's an exciting time at Port Everglades as we embark on the largest expansion project in our history. We are investing more than \$1 billion over the next 10 years on improvements and new infrastructure, including cruise facilities.

The 2020 cruise season will bring 40 different ships from 11 cruise lines and one ferry service ranging from luxury ships designed to carry small groups of passengers to some of the largest ships in the world.

Highlights for the 2020 Cruise Season

- Princess Cruises' newest ship, the *Sky Princess*, will hold its naming ceremony at Port Everglades.
- Calling Port Everglades for the first time are Carnival Cruises' *Carnival Sunshine*, Silversea's *Silver Explorer* and Costa Cruises' *Costa Luminosa*.
- Balearia Caribbean has extended its service to include the island of Bimini in the Bahamas along with Freeport.
- Cruise guests can now download free ebooks, audio books, music and more from Broward County Libraries. (See page 15)
- A new 1,888-space parking garage is being constructed to serve Cruise Terminals 2 and 4. A convenient, elevated moving walkway will whisk cruise guests in air-conditioned comfort from the parking garage to Cruise Terminal 2.
- Work will begin on a new directional signage project that features colorful bird, fish and palm tree images native to Florida. The images will create an intuitive and easy-to-navigate visual map for visitors to find cruise terminals and parking garages after it is completed in 2020.
- Facial recognition technology has been installed in Cruise Terminals 18 and 25, with other terminals expected to come online during the 2020 cruise season.

The 2020 Cruise Guide will help you in planning your upcoming cruise, including detailed information on how to get here, what to expect while you're here, and the fun things that await you — before and after your cruise.

Getting Here

Located on the southeast coast of Florida, in the heart of Broward County, Port Everglades is accessible by air, car, taxi, bus and rail.

Port Everglades has three entrances:

- I-595 East
- State Road 84, located at Spangler Boulevard
- 17th Street Causeway, located at Eisenhower Boulevard

Each entrance has a security checkpoint. Cruise guests and visitors age 18 and older must present a government-issued photo ID (such as a driver's license or passport) and cruise documents at the security checkpoint. No weapons (including permitted weapons) are allowed on Port property in accordance with Florida State Statute 311.12 (b) (3).

Road

The Port is accessible from I-595, I-95, I-75, US 1 (Federal Highway) and Florida's Turnpike. The best time to arrive for embarkation is after noon, or follow your cruise line's instructions.

Air

Port Everglades is the only cruise port in the U.S. located adjacent to an international airport. The Fort Lauderdale-Hollywood International Airport (FLL) is one of the fastest growing airports in the country and is just minutes from our cruise terminals.

Visit fll.net or download the FLL app for more information. Other airports near Port Everglades:

- **Miami International (MIA):** 27 miles south of Port Everglades. Allow two to three hours between flight arrival and cruise check-in.
- **Palm Beach International (PBI):** 50 miles north of Port Everglades. Allow three to four hours between flight arrival and cruise check-in.

While we strive for 15 minutes from curbside at the cruise terminal to the ship, cruise guests should allow a minimum of one hour for the transfer process from FLL. This includes claiming luggage at the airport, boarding transportation to the Port, clearing the security checkpoint at the Port's entrance, checking luggage curbside, filling out forms and other documentation at the cruise terminal and walking onboard. The best time to arrive for embarkation is after noon, or follow your cruise line's instructions.

Clearing Customs/FAQs

Clearing Customs Can Be Quick and Easy

Port Everglades is at the leading edge of U.S. Customs and Border Protection (CBP) programs to expedite the cruise guest re-entry process. Port Everglades offers CBP's Global Entry program in all its terminals, giving card holders expedited — front of the line — processing. To use Global Entry, travelers must be pre-approved by CBP and have their Global Entry card with them to show to the CBP officer upon debark (no kiosks). To qualify for Global Entry, applicants undergo a rigorous background check and in-person interview before enrollment. To learn more, visit cbp.gov/global-entry/about.

Facial recognition technology has been installed in Cruise Terminals 18 and 25, with other terminals expected to come online during the 2020 cruise season. Gone are the long lines to see a U.S. Customs agent after your cruise. Now cruise guests with passports simply look into a camera and off they go. The cameras scan the faces of passengers leaving the ship and instantly verifies their identities. It's simple, and greatly reduces passenger wait time. Cruise guests need to remove all eyeglasses, sunglasses and hats/visors before proceeding to the processing area.

Cruise FAQs

How can I prevent illness during my cruise?

The best source for information about travel-related illnesses, including Norovirus and Zika, is the U.S. Center for Disease Control. Visit cdc.gov/travel, cdc.gov/norovirus or cdc.gov/zika.

Do I need a Passport or Birth Certificate to cruise?

It all depends on where you are going. Contact your cruise line or visit U.S. Customs & Border Protection at cbp.gov/travel.

How far is the airport from the cruise ship terminal?

The main airport serving Port Everglades is Fort Lauderdale-Hollywood International Airport (FLL), which is located less than two miles away.

Should we park first or go straight to the terminal?

We recommend dropping off all luggage and passengers at the terminal before parking.

What should I keep with me?

Keep cruise documents, photo ID, proof of citizenship, valuables and any medications in your carry-on bag. You will be asked to show your documents/ID several times during the check-in process. Never put these items in your checked luggage.

Is there a lost and found department?

Contact your cruise line. Items lost in or around the terminals are managed by the cruise lines, not the Port.

How/when do I pay for parking?

When you exit the garage/parking lot after your cruise you can pay with cash or credit card.
