

PORT EVERGLADES TARIFF NO. 12

Item No. 325–Dockage rates–Cruise ships.

Issue No. 14

Effective Date: October 1, 2019

Rates listed below apply for each twenty-four (24) hour period or any portion thereof.

- (A) Ships offering multiday cruises, no minimum number of sailings:
Per gross registered ton..... \$.2974

- (B) Ships offering daily cruises, minimum twenty-five (25) sailings per month:
Per gross registered ton..... \$.1391

Review of sailing activity will be conducted at the conclusion of each calendar month. In order to continue qualifying for the rate in Part (B), a vessel must have made a minimum of twenty-five (25) sailings in the prior month. Failure of a vessel to maintain the aforementioned minimum sailing requirement will result in subsequent dockage being charged at the higher Part (A) rate until such time as the vessel requalifies. During the initial month of operations, vessels providing services in Part (B) will have their activities prorated from date of start up for purposes of determining minimum sailing requirements. Upon written application to the Port Everglades Chief Executive, a waiver of minimum sailing requirements may be granted for purposes of vessel dry docking, repairs, adverse weather conditions, or extenuating circumstances as determined qualifying by the Port Everglades Chief Executive. A replacement vessel is acceptable for purposes of qualifying as a Part (B) vessel.

The minimum dockage charge for each twenty-four (24) hour period for all cruise ships is two hundred seventy-five dollars (\$275).
