

**PORT EVERGLADES TARIFF NO. 12**

**Item No. 325–Dockage Rates–Cruise Ships.**

*Issue No. 18*

*Effective Date: October 1, 2023*

Rates listed below apply for each twenty-four (24) hour period or any portion thereof.

- A. Ships offering multiday cruises, no minimum number of sailings:  
Per gross registered ton..... \$.3411
  
- B. Ships offering daily cruises, minimum twenty-five (25) sailings per month:  
Per gross registered ton..... \$.1594

Review of sailing activity will be conducted at the conclusion of each calendar month. To continue qualifying for the rate in Part B, a vessel must have made a minimum of twenty-five (25) sailings in the prior month. Failure of a vessel to maintain the aforementioned minimum sailing requirement will result in subsequent Dockage being charged at the higher Part A rate until such time as the vessel requalifies. During the initial month of operations, vessels providing services in Part B will have their activities prorated from date of start-up for purposes of determining minimum sailing requirements. Upon written application to the Port Everglades Chief Executive, a waiver of minimum sailing requirements may be granted for purposes of vessel repairs, adverse weather conditions, or extenuating circumstances as determined qualifying by the Port Everglades Chief Executive. A replacement vessel is acceptable for purposes of qualifying as a Part B vessel.

The minimum Dockage charge for each twenty-four (24) hour period for all cruise ships is three hundred fourteen dollars and three cents (\$314.03).
