

## PORT EVERGLADES TARIFF NO. 12

### **Item No. 605–Computation of Free Time.**

*Issue No. 2*

*Effective Date: October 1, 2022*

The Free Time allowed for assembling outbound cargo to be loaded on a vessel commences at 8:00 a.m. of the day following the placement of cargo in the space assigned. Free Time commences with the first lot of cargo, continuing for the shortest period allotted under Item No. 600 unless the Franchised Steamship Agent or Vessel Representative provides to the Port Everglades Department the number of tons placed each date, in which case the period of Free Time will be based on the tonnage. Once the vessel to which the cargo is consigned commences loading, the assessing of Wharf Demurrage that became effective at the expiration of Free Time ceases.

The Free Time allowed for removing inbound cargo discharged from a vessel shall commence at 8:00 a.m. of the day following the day the vessel completed discharging the cargo.
