

PORT EVERGLADES TARIFF NO. 12

Item No. 920–Cargo Statements for Storage.

Issue No. 7

Effective Date: October 1, 2023

For purposes of cargo storage, Franchised Steamship Agents or Vessel Representatives must furnish the Port Everglades Department with a Port Everglades Storage Application and an Inventory Count Form to compile commercial statistics and calculate storage billing.

Franchised Steamship Agents or Vessel Representatives must complete and submit a Storage Application to the Port Everglades Department's Finance Division not less than two (2) Business Days before the expiration of Free Time and not less than two (2) Business Days before the expiration of each thirty (30) day storage period thereafter. Within two (2) Business Days after the commencement date of each storage period, Franchised Steamship Agents or Vessel Representatives must complete and submit a Port Everglades Storage Inventory Count Form to the Port Everglades Department's Finance Division and submit copies of all delivery receipts supporting the data thereon.

Failure to submit Storage Applications within the time frame stated above or failure to provide all information requested by said applications will result in a late application charge of twenty-five (\$25.00) per business day, or any portion thereof, for which the application has not been submitted or remains incomplete. Failure to submit an Inventory Count Form within the time frame stated above or failure to provide all information requested (including all relevant delivery receipts) will result in a late charge of fifty dollars (\$50.00) per business day, or any portion thereof for which the Inventory Count Form has not been submitted or remains incomplete.

In addition to the foregoing late charge(s), if the documentation time frames and requirements specified in this item are not complied with, then all charges are assessed at Wharf Demurrage rates instead of storage rates.
