Re: Mobile Motorized Food/Drink Service

Dear Sir or Madam:

Any company interested in operating a mobile food vehicle in Port Everglades must obtain a Port Everglades Mobile Motorized Food/Drink Business Permit prior to conducting business in the Port.

In order to obtain a business permit, an applicant must submit the attached application and the required supporting documentation. The application will then be reviewed by Port staff and if found to be satisfactory, approval signatures will be obtained and a permit will be issued. You will not be allowed to operate at Port Everglades until you have an approved business permit. This process may take up to 30 days to complete, so plan accordingly.

Please be advised that:

- Business permits are issued on a calendar year basis and expire December 31.
- Fees are not prorated.
- There are no parking privileges included with a business permit.
- Food trucks must operate in designated areas only on a first come, first served basis (see attached map of food vendor locations).
- Each permitted food vendor may operate up to two vehicles.
- Size of vehicle(s) will be evaluated on a case-by-case basis.

It is the permit holder's responsibility to keep the Port informed of any changes to the information submitted on the application. Should you have any questions or require assistance, please contact Paula Serpa, the Port's Franchise & Business Permit Manager, at (954) 468-0185, or by e-mail at pserpa@broward.org.

Sincerely,

Jorge Hernández
Director of Business Development
