

# DISHrupt | Making Queenstown Events Waste-Free

DISHrupt helps local events ditch disposables with smart, durable reusable serveware systems. Whether you're running a market day, a community gathering, or a large-scale festival—our services make it easy to go waste-free. All hire fees support Sustainable Queenstown.

## Hire Only

Simple. Local. Sustainable.

Ideal for smaller gatherings and local events.

- Durable stainless steel plates, cups, bowls & cutlery
- Like traditional event hire, but reusable and non-breakable
- Affordable, easy to book, and flexible quantities

Great for: school events, workshops, weddings, community picnics, and small indoor gatherings.

## DISHrupted Events

End-to-end reusable serveware systems for food vendors

We supply, collect, and wash all reusable serveware—so you don't have to.

- Suitable for 30 to 15,000+ guests
- Used by local events such as Arrowtown Autumn Festival & Lake Hayes A&P Show
- Guests return used items to DISHrupt bins—washed on-site

Great for: Festivals, large gatherings, A&P shows, food events

## DISHrupt Events + Full Circle Sustainability Support (NEW)

Plan → Deliver → Report

### Planning & Advice

- Event Waste Management Plan, 1:1 planning session (Zoom/in-person), Vendor coordination, Signage review

### Post-Event Impact Reporting

- Summary of reuse & composting volumes, Key learnings and future improvements, Optional alignment with QLDC KPIs

### Composting (Food Waste Management)

- Compost bin hire & logistics, Vendor/staff signage & briefings, Local composting partnerships

Great for: Events aiming to meet QLDC guidelines or sustainability targets
