It all began as a hobby of jumping off cliffs over seventeen years ago. Today we still jump off cliffs, but now we share this with those who dare and those willing and eager with our two thrilling activities.

The Canyon Swing is a giant rope swing ,109m high with a 60m freefall. The Fox is an extreme zipline, with a five metre freefall, 182m above the canyon floor and two ziplines.

We package these two challenging activities up in a combo that's great value and packed with adrenaline.

Set amongst the dramatic scenery of the Shotover Canyon just 15 minutes from Queenstown, it's not just the landscape that takes your breath away. Our unique jumpstyles can leave you saying, what, how and most likely why? Because it's ridiculously scary and seriously fun!
