 Website: www.poweronsite.co.nz
 Telephone: +64 27 487 2202

At Power on Site we service and supply a wide fleet of generators, distro and electrical cables for all occasions. We power up major sports events, weddings, corporate conferences, music festivals and outdoor stages, local contractors, regional concerts, tournaments, private parties and functions. No job is too big or small.

As the only generator supplier south of Christchurch able to provide our own full inventory of power kit, we are the preferred supplier for local businesses and event managers/organisers. Blair is our full-time electrical technician who is available to provide technical support at major events including powerlock support. We have public liability insurances and modern health and safety practices to match the high expectations of clients. Power on Site has been the prominent power supplier in the Central Otago events industry for over twelve years.

Our company integrity and longstanding reputation is greatly appreciated by the teams we work alongside.

TomTom Productions

 Telephone: +64 3 442 8250

We are your creative partners for technical management, design & supply. At our core we are visual production designers, that is the backbone of who we are. Our design process starts with understanding you & your event. We then tailor a bespoke design, with a focus on the overall experience for your audience.

We offer a safe pair of hands, backed by our team with international expertise at the highest level of event production.

Our equipment is specifically curated for our uniquely Queenstown spaces, sourced from industry leading manufactures. We know the venues and we have the local knowledge.

Let's work together. Our clients are creative collaborators. We bring our years of experience and our hunger for a challenge so you can focus on your ideas without sweating the technical details.

We are Queenstown's visual production leader. We are TomTom.
