Air Milford is proudly NZ owned and operated, offering luxurious and exclusive flightseeing in a fleet of Cessna aircraft around Queenstown and specialising in Milford Sound. We have created a range of different flight options or you can create your own with our charter flights.

Our Queenstown flights are a fantastic way to see the region, choose a 20 minute experience taking in all the surrounding mountains and lakes or our quaint Walter Peak combo where you land, enjoy a farm tour, lunch and cruise on the TSS Earnslaw.

Our Milford Sound flights offer extraordinary beauty. Be privileged to this majestic fiord, dramatic and awe inspiring scenery and prolific flora and fauna. Although the flight to and from Milford Sound has regularly been described as the most stunning part of our tour options, combining this with a Milford cruise on the fiord happens to be the most popular option.

Our helicopter company is more than a helicopter flight. Few regions offer such diversity in terrain over such a compact distance, pure and unspoilt offering privacy and exclusivity.

This spectacular change in geography and climate is most suited to the helicopter, both from a visual and safety perspective. With the latest helicopters available, our interpretive excursions incorporate Queenstown, Milford and the Fiords of Southern New Zealand, alpine glaciers and remote lakes with gourmet picnics, hiking, boating, extreme golfing, wine tours, fly fishing or skiing.

Our selection of relaxed and interpretive experiences distils the essence of New Zealand's most dramatic scenery whilst immersing you in the natural history of the area. Stroll on an uninhabited beach, soar amongst mountains, dine at a remote alpine lake suspended above Fiordland. Learn of the age old glaciers and prehistoric rainforests in a habitat seldom frequented by man. Your itinerary is limited only by your imagination.
