SUSTAINABLE SUPPLIER OPTIONS

Below you'll find options of local suppliers providing circular solutions and sustainable initiatives.

FOOD SUPPLIERS

- Sustainability is at the forefront of Gibbston Microgreens, for their customers they provide swapable containers and even deliver using their electric van! 100% of their spent growing medium goes into their onsite food forest in an effort to educate and provide resiliency with alternative perennial food options such as nuts, fruits and berries.
- Maximise their e-van deliveries with Natures Garnish (Edible Flowers), Bee The Change Honey and Remarkable Fungi in their e-van. Remarkable Fungi are trailing a returnable box system and repurpose spent mushroom blocks for soil improvement.
- Royalburn Farm are a local regenerative and ethical farm finding sustainable and circular solutions to help land, animals, and food sources thrive.
- Frog Song Farm supply vegetables, salad mix, herbs and walnuts all in reusable containers or home compostable packaging.
- Bay Road Peanut Butter jars can be returned to Freshlink Wānaka.
- Branch Creek Honey provide a jar return programme or tubs for larger volumes.
- Kai Pai Pies can be ordered without their plastic packet upon request.
- Sanga's Pies come in a returnable chilly bag.
- Cookie Time's plant-based cookie comes in a home compostable packet.
- Eden Orchard's cherries are grown on a fossil fuel free farm!

BEVERAGE SUPPLIERS

- Milk in kegs is a great tasting, cost effect way to serve milky beverages. Contact Farm Fresh South or try Spout Milk's impact calculator to find out how your business can simply install a 'milk on tap' system eliminating plastic.
- If your business does not go through the volume of milk for a keg - Farm Fresh South supply yogurt, cream, and milk in a glass bottle return system.
- Beer: It has never been easier to serve local beer on tap with the many options brewed right here in Queenstown and Wānaka.
- Canyon Brewing even supply Margarita; Aperol Spritz and Espresso Martini on tap. Crimson Badger offer their Ginger Beer and Mulled Wine in kegs too. Widen your range with Batched Cocktails suppling many options on tap.
- Mount Edward Winery supply wine in kegs saving 26 bottles of wine and no difference in taste.
- The Homegrown Juice Company is not just delicious; they supply their Orange Juice in refillable goons that are swapped upon next delivery.
- Black Lab Coffee Roasters have and always will be single use cup free and waste free suppling their coffee beans or grounds in reusable containers for a discount!
- Ryder Coffee roast their beans in NZ's first electric roaster, making their coffee fossil fuel free. They also offer reuseable containers for their customers.
