# STILLWATER

**Annual Report FY20-21** 

EXPERIENCE AMERICA'S FRIENDLIEST COLLEGE TOWN!

### BOARD OF DIRECTORS

As Stillwater's destination marketing organization, we promote our community as an attractive travel destination and enhance Stillwater's public image as a dynamic place to live and work. Through the impact of travel, we strengthen our economic position and provide opportunities in our community.

Our core mission is to enhance Stillwater's economy, image, and quality of life through the promotion, marketing, and development of the region's visitor economy. In response to an everchanging travel and tourism industry caused by the COVID-19 pandemic, we have continued to broaden our efforts from marketing to visitors to communicating with residents to support our local business partners.

Visit Stillwater coordinated and promoted the Holidays 2020 campaign to incorporate downtown's Merry Main Street event, along with other locally-held events, sales, and promotions throughout the community. The Stillwater Savings Pass enabled us to incentivize residents to shop local while motivating visitors to shop and experience Stillwater during the holidays. Additionally, our new geocaching tour and Stillwater/OSU/Payne County map appeals to both visitors and residents alike.

Visit Stillwater represents the hotels, restaurants, meeting facilities, event venues, museums, attractions, other hospitality professionals, and business partners serving the traveling public. Guided by our mission, our dedicated staff, a dutiful board of directors, and a constant commitment to our stakeholders and clients, Visit Stillwater looks forward to unwavering and full engagement with the City of Stillwater to continue the impact and growth of the areas powerful tourism industry.

Sincerely,

Chi K Worns

Chris Norris, Chairman of the Board

- · Ival Gregory Retired
- · Biff Horrocks McDonald's

- · Joe Martin Hampton Inn & Suites
- · Jill vanEgmond Lake McMurtry Friends,Inc.
- · Chad Weiberg OSU Athletics Department

CPA - Mark Gunkel, CPA PC

The Visit Stillwater team maximized the impact of an evolving comprehensive marketing plan, sales, and service resources, over the 2021 fiscal year. Flexibility and local partnerships contributed significantly toward the ability to attract visitors – primarily representing the agriculture industry – to our community. We ensured community-wide safety protocols were easily found, and did everything possible to enhance Stillwater's image as a safe visitor destination.

2021 Stillwater Visitor Guide Cover

The 2021 Stillwater Visitor Guide was designed to provide visitors – and residents – a quick reference to easily plan activities in Stillwater. It is offered as a traditional print publication with a digital version available at VisitStillwater.org. 100,000 copies of the 44-page annual publication were printed this year, featuring The Original Hideaway Pizza on the cover. Digital and online marketing efforts have consistently increased Visitor Guide requests over the years.

We continue to customize and upgrade VisitStillwater.org to best assist our local business partners and increase website users. We feature user-generated images throughout our site by utilizing visual content marketing software. We have also added virtual tours, including 360° images, to our business partner's listings to give visitors a more interactive experience.

Our digital marketing efforts were served primarily to markets within an approximate 300-mile radius, including the Dallas-Fort Worth metroplex, for the drive-in market and those who can choose to fly American Airlines directly into the Stillwater Regional Airport (SWO).

The Holidays 2020 campaign, including Merry Main Street and the Stillwater Savings Pass, were our primary focus communicated to residents through local media partners and served regionally within Oklahoma through digital marketing platforms.

Visit Stillwater utilizes social media platforms to post daily reminders of the events occurring in our community, the variety of hotel and dining options, and the unique attractions available to visitors and locals. We optimize our content through ads and boosted posts, listen to our audience, and connect with them through tagging, commenting, and interacting. Social media proved to be a very quick avenue in which to update residents and visitors of event postponements, cancellations, or transition to virtual events during most of the fiscal year.

Snapshot from our December 2020 Video

2020 Holiday Rack Card Design

Video continues to serve as one of the most popular methods in which to connect with visitors and residents. We continued to produce monthly videos spotlighting 6 to 7 events, attractions, or businesses. Last year, we added closed-captioned messaging to better connect with the majority of viewers who watch videos on their phones while on silent, as well as to become ADA compliant.

Upon request by our hotel partners, we continued to produce rack cards to distribute from their front desks and within their lobbies. Rack cards spotlighting Holidays 2020, the Stillwater Savings Pass, and FlySWO were also available in the 24/7 Visitor Information Center, the airport visitor information stands, OnCue convenience stores, local business partners, as well as all hotels located in Perry, Guthrie, and Cushing.

Visit Stillwater also created a microsite for Merry Main Street, wrote a story for *Stillwater Living Magazine*, a column for the *Stillwater News Press*, coordinated local television appearances, spotlighted on local radio stations, featured throughout social media channels and monthly videos, and provided banner placement on the visitor center stands. Approximately \$20,267.50 in earned and paid marketing was provided.

Visit Stillwater continued to coordinate a calendar of virtual events and virtual tours, including 360° images, to enable residents to remain active with local organizations and businesses and provide motivation for individuals to decide to visit Stillwater. These features remain available at VisitStillwater.org, although most events transitioned back to in-person the last quarter of the fiscal year.

Visit Stillwater maintains visitor information stands within the inbound and outbound terminals at the Stillwater Regional Airport and provided approximately \$56,798.00 in earned and paid marketing July 2020 – June 2021. "FlySWO" is a consistent message within virtually all digital and printed marketing efforts.

When talking with event coordinators and meeting planners throughout most of fiscal year 2021, the Visit Stillwater team emphasized a, "postpone, don't cancel," mindset. Numerous events continued to postpone to a later date or cancel altogether. While events that were canceled for the second year in a row are of particular concern, we continue to work closely with event planners and meeting venues to retain and bring events back to the community.

Visit Stillwater continued to help local businesses by partnering with the City of Stillwater to serve as a distribution center for masks provided by the City during July. We minimized contact by creating a drive-thru experience for local businesses and offered flexible hours by also being available on Saturday for pick-up.

To further encourage residents to shop local and visitors to make the trip to Stillwater for holiday shopping, the Stillwater Savings Pass was launched in November 2020. The Savings Pass combines tickets, purchases, and special offers into a fully branded experience available instantly on mobile phones. By establishing a one-to-one communication channel with each visitor or resident, we can fluidly enhance the on-site experience. Local businesses will see more customers, and visitors and locals will explore and experience the best of our community.

Through a partnership with Groundspeak, Inc, we coordinated a geocaching trail to once again engage residents and visitors in location-based, experiential walking tours, interactive challenges, and treasure hunts. Geocaching is predominately an outdoor recreation activity that utilizes Global Positioning System (GPS) navigation to hide and seek containers called "geocaches". Outdoor family-friendly activities have proven very popular given the impacts of the COVID-19 pandemic.

Stillwater maps continue to be the most requested item in the 24/7 Visitor Information Center across all age groups and by both locals and visitors. We listened to suggestions

and feedback to produce a map that would align with those utilizing it. It is a manageable size, includes Stillwater with a street index, Payne County, and through a partnership with OSU their new campus map. We worked with a local cartographer and designer to produce our first map. Although we printed 12,500 copies, we anticipate producing a map annually to keep up with demand and our ever-changing community.

The Oklahoma Travel Industry Association held its annual RedBud Awards at the Edmond Conference Center on June 29, 2021. Open to all Oklahoma tourism entities, the RedBud Awards represent the highest honor given in the Oklahoma tourism industry. All entries were evaluated by a slate of tourism professionals on specific criteria including customer service and experience, marketing effectiveness, media relations, variety of audiences reached, value, and overall creativity.

Emceed by Lt. Governor Matt Pinnell and Jenifer Reynolds, 37 awards were given in 20 categories. The awards recognize Oklahoma's top tourism attractions, events, programs, and organizations for outstanding efforts to serve and promote Oklahoma's tourism industry. Three new categories were added to this year's Redbud Awards to recognize the efforts of organizations that successfully navigated the 2020 pandemic using creative marketing efforts. The three categories are Best Virtual Event, Best Covid Collaboration, and Best Pandemic Related Campaign.

Visit Stillwater was honored to be recognized with an unprecedented four awards this year, including the top honor:

- · Tourism Organization of the Year Large Budget Organization
- Best Website Large Budget Category
- · Best Overall Marketing Campaign Merit Award Large Budget Organization
- Best Pandemic Related Campaign Merit Award

In the past, the travel and tourism industry has proven to be resilient. We have an experienced and knowledgeable team with a plan in place to continue to assist our local business partners and event planners through their rescheduling processes. We have also been diligent in monitoring the travel situation in surrounding states to host regional or national events when event planners are unable to do so in their original host site location.

The Visit Stillwater team is engrained into the fabric of our destination, which enables us to better assist event planners and leisure travelers while doing everything we can to generate wealth for our local business partners. As a result, Visit Stillwater drives economic success and enhances the quality of life of our residents.

### LODGING **TAX**

Visit Stillwater is funded primarily through a contracted amount of the Stillwater Lodging Tax that is to be, "used exclusively for the purpose of encouraging, promoting and fostering conventions, conferences, and tourism development in the city" (ARTICLE IV. – HOTEL ROOM TAX Sec. 39-272. - Use of funds).

A Professional Services Agreement between the Stillwater Economic Development Authority (SEDA) and Visit Stillwater specifies the sum of \$720,000 of the Lodging Tax will be utilized by Visit Stillwater to carry out the services outlined within the Visit Stillwater Business Plan and scope of work.

### **Lodging Tax**

Stillwater is home to 18 hotel properties with an inventory of 1,406 total rooms. The University Inn and Suites has remained closed through fiscal year 2021, which decreased total inventory by 115 rooms. The total available listings for short-term rentals ranged from 82 to 100, July 1, 2020 – June 30, 2021.

Hotel Data:	FY2019   FY2020  FY2021	FY2019   FY2020   FY2021	FY2019   FY2020   FY2021
	Occ %	ADR	RevPAR
Stillwater	47.40%   39.7%   <b>40.0%</b>	\$92.78   \$88.94   <b>\$82.55</b>	\$44.00   \$35.31   <b>\$33.03</b>
Oklahoma	56.20%   39.3%   <b>52.6%</b>	\$80.16   \$71.51   <b>\$76.52</b>	\$45.07   \$28.08   <b>\$40.27</b>

According to STR (subscribed source for hotel data benchmarking, analytics, and marketplace insights), the running 12 months report ending June 30, 2021, reflected Stillwater hotel properties had a 40.0% occupancy rate, \$82.55 ADR (Average Daily Rate), and \$33.03 RevPAR (Revenue Per Available Room). The figures were up from 34.8% occupancy, \$79.09 ADR, and \$27.55 RevPAR for the running 12 months ending December 31, 2020. 14 of 18 properties reported their data to STR during the fiscal year.

Visit Stillwater has invested in data for Oklahoma communities in which we compete for events (Ardmore, Bartlesville, Chickasha, Claremore, Duncan, Edmond, Enid, Muskogee, Norman, Ponca City, Shawnee – and a comparable Big 12 Conference city – Manhattan, Kansas). However, Norman, our Division I, Big 12 Conference partner, is part of the Oklahoma City metroplex with two and a half times our population and a hotel inventory of 3,100 hotel rooms. We do not compare in location, size of community, or hotel inventory with fellow rural communities. Therefore, for a significantly reduced annual contract, we chose to receive only STR data relevant to the Stillwater market moving forward.

Through our membership in the Oklahoma Hotel and Lodging Association, we receive the STR report for the state of Oklahoma and will continue to provide data points for our state. The Oklahoma data includes all reporting hotel properties including economy, upper midscale, upscale, and luxury class properties, and communities of all sizes, including urban and rural.

### LODGING **TAX**

July 1, 2019, the Oklahoma Tax Commission (OTC) began collecting the Stillwater lodging tax. There is now a difference in timing of the tax revenue receipts by 2 months, rather than 1 month when the City of Stillwater collected the tax. As a result, there were only 11 months of hotel room taxes remitted during FY 2020. Total lodging tax collections for fiscal year 2021 reflected a 20% decrease over the previous year, a substantial improvement over the 35% decrease reflected at mid-year, December 31, 2020. March and April 2021 collections were comparable to 2019, pre-pandemic figures.

### Airbnb and VRBO Data:

	FY 2019	FY 2020	FY 2021
[	June 30, 2019	June 30, 2020	June 30, 2021
Room Nights	2,239	2,843	2,936
Listing Nights	835	1,116	1,083
Occupancy	51.1%	53.4%	59.9%
ADR	\$141.68	\$158.67	\$163.17
RevPAR	\$72.44	\$84.81	\$97.79

Beginning July 1, 2019, lodging tax was also collected from short-term rental properties through Airbnb and remitted directly to the OTC. According to AirDNA (Vacation/Short-term rental market data), on June 30, 2021, there were 82 total available listings in Stillwater.

Stillwater's short-term rental properties ended the month of June 2021 reflecting a 59.9% occupancy rate, \$163.17 ADR (Average Daily Rate), and \$97.79 RevPAR (Revenue Per Available Room), compared to 36.6% occupancy rate, \$179.90 ADR, and \$65.82 RevPAR on December 31, 2020.

Short-term rental properties gained popularity during the COVID-19 pandemic because they are primarily private residences that serve as quarantine or social distancing retreats while traveling.

Write 24 blog posts promoting Stillwater attractions, events, and activities	24	26	29	24	121%

Although we were recognized this year with the RedBud Award for the best tourism-related website, traffic was the hardest hit of the deliverables within our marketing campaign as a result of the COVID-19 pandemic. VisitStillwater.org is heavily focused on our events page, and with numerous events canceled or postponed for the majority of the year, we had a decrease in website traffic and pageviews.

We performed much better than many of our counterparts across the country due in great part to our modified marketing plan to focus primarily on communicating with residents. To assist our local business partners during the pandemic, we served as a consistent source of updated information locally, while continuing to provide individuals motivation to visit us when the time was right. We had a reduced "Sweepstakes Giveaway" program this year due to the number of events that simply did not occur.

### Market/assist the following City of Stillwater Events & Attractions:

*Number of Groups Serviced (5)	128	142	128		
Increase new client sales accounts by 20% (6)	81	97	98	116	84%
Increase assisted sales account leads by 25% (7)	48	63	53	79	67%

la & lb. Although fewer events, there was substantial increased attendance.

- 2. Hotel room blocks include Definite, Tentative, and Lost Business.
- 3. Potential room nights include Definite and Tentative.
- 4. Actual booked room nights only include Definite.
- 5. Groups serviced includes Definite, Assisted, Tentative, and Lost Business.
- 6. It was a challenging year to get planners to discuss potential events.
- 7. There were substantially fewer groups to assist this year.

Hotel occupancy was, and continues to be, greatly impacted by the COVID-19 pandemic. We have continued to work with event coordinators, assisiting them in the planning stages of their event. We have been able to retain and recruit numerous livestock events to the Stillwater area during this time, due to the facilities at the Payne County Expo Center. The last quarter of this year we were able to once again utilize event and athletic venues throughout the community and OSU campus.

### These events include:

- Pistol Pete Classic Sheep Show
- · Stillwater Quilting Retreat
- · Cowboy Classic Junior American Boer Goat Association
- · Payne County Bull Bash
- · Griswold Classic Cattle Sale
- · 2020 Cowboy Cup
- Cowboy Farm Toy Show
- Response Classic Hog Show
- Mid American Spectacular Goat Sale & Show · Southern National Dairy Show

- · Oklahoma Club Calf Association Summer Sensation Cattle Show
- · Oklahoma Cattlemen's Association Summer Preview Show and Fitting Clinic
- International Brick Collectors Meeting & Swap
- Mini Silky Fainting Goat Show
- May Dayz Fashion and Market
- · You Gotta Believe Show Goat Camp
- OK/TX Longhorn Association Show
- EPOS Sports Camp

C. Meeting & Event Client Services	FY 18-19	FY 19-20	FY 20-21	Goal	% of Goal
Coordinate 12 site inspections or familiarization (FAM) tours	11	12	8	12	67%
Number of communications with existing clients	1,119	1,696	1,131		

There was not an opportunity to host decision makers on tours for the majority of the year.

### Reasons Why a New Event Chose Stillwater:

- 1. We have the same number of people for our event but we need a larger venue for social distancing and our budget did not increase. Stillwater had options for us to pick from to host our event.
- 2. We had a smaller group than in past years and a smaller budget for our event. Stillwater had options that would fit into our budget and also meet all of our needs.
- 3. We love that Stillwater has things for families to do in the evenings and during the day while attending a show at the Expo Center. It also helps that you have restaurants open late for families who don't leave the barns until after 9:00 pm during the summer.
- 4. Stillwater is a great place that we could call home and we want to show it off to our group.
- 5. We love hosting our camp at OSU. They have been great to work with and they also give us room to grow for future years.

### Reasons Why a Prospective Event Chose Another City:

- 1. We needed a smaller venue that had most of the same options as the large venues.
- 2. This year we need a bigger venue with a smaller number of people and a smaller budget.
- 3. Our meeting is small enough this year we can host it in our own conference room.
- 4. Meridian Technology was unable to secure a room for the event this year.
- 5. We decided to host a Zoom meeting this year.

### Reasons Why an Event Previously Held in Stillwater Moved to Another City:

- 1. Did not host an event due to COVID-19 this year.
- 2. We were unable to host our event on campus with the same features we have had in past years.
- 3. We hosted a hybrid event this year and held the in-person part in our own conference room.

D. Enhanced Visitor Experiences	FY 18-19	FY 19-20	FY 20-21	Goal	% of Goal
Distribute <i>Stillwater Visitor Guides</i> to visitors through available distribution channels and in response to online and telephone requests	For fiscal year 94,937	2020 Guide 100,000	2021 Guide 71,371	Per Edition 100,000	
Gather demographic data on Stillwater visitors					
Report the number of walk-in visitors to Visit Stillwater office and Visitor Center	5,515	7,107	4,036		

We documented *Stillwater Visitor Guide* distribution by the edition produced on the calendar year, rather than on a fiscal year basis.

The visitor tracking equipment records each trip through the doorway, including staff, board members, and groups utilizing our conference room. It also doesn't track each individual when a door is held open for large groups to enter together. Therefore, we have estimated approximately 45% of the count is reflective of the number of visitors who stopped by the 24/7 Visitor Information Center for assistance.

The Visit Stillwater team embraces the diversity of our visitors, and have collected demographic data from various sources:

This report includes activities and avenues in which Visit Stillwater has utilized advertising, promotions, partnerships, public relations, social media, and the Visit Stillwater website to market commercial air service through the Stillwater Regional Airport and American Airlines.

Air travel has played an important part in our travel and tourism industry as visitors, students, and business travelers rely on it for fast and easy access to the city.  The shutdown will last until November 3rd, when they will then re-assess their plan based on CARES Act support, so we need to let them know how much our community relies on air service being restored. Click the link below to visit our website and learn how to contact your congress members and our partners with American Airlines to let them know how much the Stillwater Regional Airport helps improve the visitor experience, as well as the quality of life for Stillwater residents.
