The Visit Stillwater team maximized the impact of an evolving comprehensive business plan where flexibility and local partnerships contributed significantly toward the ability to attract visitors to our community.

## Website - VisitStillwater.org & VisitStillwaterOK.org

We continue to customize and upgrade VisitStillwater.org to best assist our local business partners and increase website users. We feature user-generated images throughout our site by utilizing visual content marketing software. We also include virtual tours, including 360° images, to our business partner's listings to give visitors a more interactive experience.

## Calendar of Events

Visit Stillwater coordinates the most extensive local calendar of events to support organizations and businesses and to provide motivation for individuals to decide to visit Stillwater and residents to take advantage of events in their own backyard. The calendar is user-friendly to enable event coordinators to submit their events and graphics. It also enables individuals to search by date, date range, or area of interest - such as live music, athletics, or a specific event.

# ANNUAL HIGHLIGHTS

July 2023 - June 2024

## Microsites

In July 2023, a **Krazy Daze** landing page was featured on VisitStillwater.org. It served as a one-stop page to find a list of participating retailers and restaurants, along with their discounts and hours of operation. Our team reached out to local businesses to populate the page.

Visit Stillwater enhanced a new microsite to spotlight the **OSU home game day** experience. It included OSU links to each game, game themes, ticket information, parking, park and ride,

RV options, Boone Pickens Stadium policies, tailgating, Orange Glow, Hall of Fame Block Party, The Walk, street closures, postgame traffic, how to avoid parking violations, game day activities around town, and more.

Enter for a chance to win 1 of 3 \$500 American Airlines Gift Cards!

We continued to coordinate a **Holidays 2023** microsite that featured information on holiday events, a holiday light displays map, shop locally for the holidays, Stillwater Holiday Parade of Lights, Merry Main Street, and Where is Santa Claus?

Visit Stillwater coordinated a community-wide holiday promotion – “**Fly Home for the Holidays**” – to enhance exposure for the Stillwater Regional Airport and service on American Airlines while emphasizing the importance of shopping locally. We designed a microsite to outline the 52-day shop local and FlySWO campaign to outline how individuals could enter to win 1 of 3 \$500 American Airlines gift cards. The campaign generated over \$75,000 in local sales. We also provided 5 \$100 American Airlines gift cards for the City’s **SWO Home for the Holidays** event with Santa Claus.

# ANNUAL HIGHLIGHTS

July 2023 - June 2024

Our microsite for the annual **Calf Fry Festival** once again proved to be our top landing page for Spring 2024, showcasing the full concert lineup of musicians, places to stay in Stillwater and suggested attractions and dining options.

We recently added a new microsite, **Tidbits of America's Friendliest College Town**, to highlight Stillwater's history with stories such as, "Christmas Day: 1890", "Pistol Pete Embodies the Cowboy Spirit", "Home to the Second Pizzeria in Oklahoma", "World Famous Cheese Fries", and "An Iconic Oklahoma Honky-Tonk and Festival". This microsite also provides a starting point from which our social media followers will learn more about our community.

CALF FRY 2024

Additional microsites included **405 Day** and **National Travel and Tourism Week** where we encouraged residents and visitors to ring registers throughout the community and enter to win American Airlines gift cards. These promotions were two of four Visit Stillwater coordinates annually (in addition to Krazy Daze and Fly Home for the Holidays) to support our local business partners and serve as a reminder to FlySWO – Stillwater Regional Airport.

We have hosted a microsite for the **Downtown Stillwater Cultural District** since its inception. We encourage residents and visitors to browse through the listings to learn about the different organizations that make up the Cultural District – Modella Art Gallery, OSU Museum of Art, Prairie Arts Center, Stillwater Community Center, Stillwater History Museum, and the Stillwater Public Library – and stay in the know on all events and activities happening in Downtown Stillwater.

As active members of the **Stillwater Community United Committee**, Visit Stillwater created a microsite to promote the activities surrounding the Dr. Martin Luther King Junior Celebration and March. The page served as a community resource with event itineraries, and MLK march maps, – both throughout the community and on the OSU campus – and the Middle School poster contest. We even added an online voting option for the contest to enable more people to participate.

The mission of Stillwater Community United is to cultivate relationships, diversity, and understanding within Stillwater, Oklahoma, and surrounding communities through education, advocacy, and community.

## Stillwater Visitor Guide for Kids

We were honored to partner with Stillwater Middle School students to produce and financially support the inaugural Stillwater Visitor Guide for Kids for distribution through our 24/7 Visitor Information Center. We printed 1,000 copies of the 20-page full-color guide through Career Tech Printing Services to make it a 100% locally produced publication.

In July, Tracy Pendred, 5th Grade Gifted and Talented teacher, came to us with her concept to produce a visitor guide for kids through her class. We were honored to visit with the class on multiple occasions and include them through every step of the process – overall concept, layout and design, decisions on publication size as it relates to pricing, decisions on featured site locations, content style, photographs, meeting with the printer, proofreading, etc.

As part of the project, we also scheduled each student for a guest appearance on Tv-31's The Morning Edition, The Morning Scramble on Triple Play Sports Radio, or on the One-on-One Podcast or Cowboy Country at Stillwater Radio to outline and promote their publication.

**The Project:**  
A Collaboration with  
Visit Stillwater!

visitstillwater.org

Did you know that prior to this visitor guide, there were no guides directed specifically towards children in the Stillwater Visitors Center? The 5th grade Gifted and Talented class at Highland Park Elementary recognized that as a gap that they could fill. They began by researching visitor guides from other cities and asked questions like "What makes Stillwater special?". The group worked closely with Crisy Morrison and Nicole Horn from Visit Stillwater. These experts guided the students through the process of promoting a city and the amenities within. They studied all aspects of the tourism profession from fieldwork to writing reviews, graphic design, Stillwater government, and the printing process from invoice to production. Each student wrote to local businesses explaining the project and asking for assistance. They have been invited into radio and TV stations to learn about promoting their product.

This kind of work requires the assistance of many adults who believe children can make a difference. Stillwater business owners, parents, officials, experts, and school leaders have all taken this work very seriously and been extremely supportive. These students have learned they can change the world - their adults have shown them so.

**Meet the Authors**

The 5th grade gifted and talented class at Highland Park Elementary are a unique group of individuals. With many talents and interests among them, they come together to celebrate the difference they can make when they put their minds to it. This group of students comes together when faced with adversity and challenge. They rely on one another's gifts, knowledge, and skill to bring out the best for everyone. This is a group of leaders. These are agents of change. This group is the future, and we're all lucky for that.

**Some Very Special Thank-Yous!**

A project of this size takes many hands to make it work. Along the way, we were visited by Mayor Will Joyce, Councilor Christie Hawkins, Vice Mayor Amy Dzialowski, and City Attorney Kimberly Carney. Stillwater is a great place not only because of the people who live here and visit but because of the people who help guide America's Friendliest College Town!

It takes a village to share a message! The 5th graders would like to thank these awesome local celebrities for sharing the air with us!

July 2023 - June 2024

## Social Media - @VisitStillwater

Visit Stillwater utilizes social media platforms to post daily reminders of the events occurring in our community, the variety of hotel and dining options, and the unique attractions and retail shops available to visitors and locals. We optimize our content through ads and boosted posts, listen to our audience, and connect with them through tagging, commenting, and interacting. Social media is also a very quick avenue in which to update residents and visitors of event postponements and/or cancellations. We had 30,809 Facebook followers at the end of June 2024 and continue to grow interaction across each platform.

During fiscal year 2024, we set a new record by reaching 3,877,937 people on Facebook, up from 3,022,802 the previous year. We also broke our record for an individual month, reaching 1,178,121 people on Facebook in June. This success was largely due to renewing our partnership with Digital Generator, experts in data-driven marketing specializing in SEO, SEM, digital content, and social media marketing.

This year, we faced the challenge of understanding why we were falling short of our digital goals, but our overall website sessions, particularly from the Dallas DMA, were consistently underperforming. We identified two main reasons for the lower-than-expected number of website sessions, even though other metrics, such as page views, exceeded goals.

# ANNUAL HIGHLIGHTS

July 2023 - June 2024

On July 1, 2023, Google Analytics transitioned from Universal Analytics to Google Analytics 4 (GA4). GA4 altered how some metrics were tracked, especially website sessions. In Universal Analytics, a new session was registered at midnight even if the user was continuing the same session, and a new session was counted each time a UTM parameter was encountered. GA4 does not increase session counts in these ways.

Our efforts were further complicated when the local company we employed for much of the year mistakenly calculated the goals, underestimating them by a large margin. They applied the needed percentage increases to the previous year's goal instead of our actual performance figures, which exceeded the goals. Consequently, during the first nine months of the year, it appeared that we were exceeding our digital goals when, in fact, we were far behind on most of them.

By the time we discovered the error, we had little time to repair the damage. While we were able to achieve most of our goals, user sessions continued to lag. Furthermore, our review uncovered that the local company had been using fairly untargeted boosts on Facebook did not specifically target a portion of the budget to the Dallas DMA as has been done year-round for the past few years. After much analysis, it appears that the introduction of GA4 this fiscal year, with its differences in measuring sessions, and the failure to target the Dallas DMA caused the lower session count on two of our goals.

July 2023 - June 2024

## Digital Marketing

Our digital marketing efforts were served primarily to markets within an approximate 300-mile radius, including the Dallas-Fort Worth metroplex, for the drive-in market and those who can choose to fly American Airlines directly into the Stillwater Regional Airport (SWO).

## Promotional Videos

Video continues to serve as one of the most popular methods in which to connect with visitors and residents. We produce monthly 60-second videos spotlighting 6 to 8 events, attractions, or businesses. We added closed-captioned messaging to better connect with the majority of viewers who watch videos on their phones while on silent.

## Quarterly 30-Second Commercials

The City of Stillwater and Visit Stillwater discussed the value of a series of co-branded 30-second commercials to have available for TV, website, video boards, and more. The Chamber of Commerce has since joined our partnership to produce one 30-second commercial a quarter. We coordinate the production of the commercials with our videographer and get footage for our monthly promotional videos and quarterly commercials simultaneously.

## Television

Since 2003, the Visit Stillwater President and CEO has kept the Stillwater and surrounding communities up-to-date on local events, organizations, businesses, awards, recognitions, and more while co-hosting Tv-31s, "The Morning Edition", live weekday mornings.

Visit Stillwater coordinates and schedules all of the guests for each show and can offer meeting and event planner clients an extra incentive to host their event in Stillwater

by offering them the opportunity to appear on live, local television to boost attendance at their event.

## Radio

Since 1998, Visit Stillwater team members have shared upcoming event information on live, local radio stations once a week, and this grew to three mornings a week in 2003. Our radio calendar is exported directly from the Visit Stillwater website calendar of events to enable us to share detailed information about events occurring throughout the community. The calendars are left each week with radio personalities to refer to on-air.

- Monday & Thursday: Team Radio's Triple Play Sports "Morning Scramble" with Steve Daniels from about 7:45-8:15 am concurrently on 93.1 FM, 105.1 FM, 1020 AM, and 1580 AM.
- Wednesday: Stillwater Radio's 105.5 FM Cowboy Country with Jay McRae from about 8:45-9:00 am.

The column appears on the last weekend of the month and spotlights destination marketing as an integral component of local economic development efforts. Visit Stillwater also provides the *News Press* with a list of upcoming events for each issue of their *Stillwater magazine*.

*Stillwater Lokal Life*, a new independent, locally-owned monthly newspaper, and Visit Stillwater have partnered to spotlight upcoming Stillwater events in each issue. ## Stillwater, OSU, and Payne County Map

Stillwater maps continue to be one of the most requested items in the 24/7 Visitor Information Center across all age groups and by both locals and visitors. We listened to suggestions and feedback to produce a map that would align with those utilizing it. It is a manageable size, includes Stillwater with a street index, Payne County, and through a partnership with OSU, their campus map. We worked with a local cartographer and designer to produce our first map. We printed 12,500 copies and anticipate producing a map every two to three years to keep up with demand and our ever-changing community.

## 24/7 Visitor Information Center

To our knowledge, Stillwater is home to the only comprehensive visitor information center that is open 24 hours a day, 7 days a week. Therefore, information is readily available to visitors at any time they arrive in our community or require more information while here. The extensive amount of information is also easily

available to residents while family and/or friends are visiting or local businesses and realtors when putting together relocation or recruitment packets.

## Stillwater Information Stands & Coffee Station at SWO

Visit Stillwater maintains visitor information stands within the inbound and outbound terminals at the Stillwater Regional Airport (SWO). “FlySWO” is a consistent message within virtually all digital and printed marketing materials.

Visit Stillwater partnered with the Stillwater Regional Airport to also provide a complimentary coffee station in the outbound terminal. Our messaging is, “Thanks a Latte for flying SWO,” and we look forward to enhanced use of our local American Airlines service.

## Stillwater Savings Pass

To further encourage residents to shop locally and visitors to make the trip to Stillwater to shop, the Stillwater Savings Pass was launched in November 2020. The Savings Pass combines tickets, purchases, and special offers into a fully branded experience available instantly on mobile phones. By establishing a one-to-one communication channel with each visitor or resident, we can fluidly enhance the on-site experience. Local businesses will see more customers, and visitors and locals will explore and experience the best of our community.

## Stillwater GeoTour

Through a partnership with Groundspeak, Inc, we coordinated Oklahoma's only official GeoTour to engage residents and visitors in location-based, experiential walking tours, interactive challenges, and treasure hunts.

Geocaching is predominately an outdoor recreation activity that utilizes Global Positioning System (GPS) navigation to hide and seek containers called "geocaches". Outdoor family-friendly activities have continued to increase in popularity. In May 2023, Visit Stillwater launched a new "Walking on the Wild Side" trail of 10 animal-themed geocaches to encourage new and repeat geocachers to explore Stillwater.

## SWO Icons

We incorporated the "SWO" icons into our marketing campaign to align with the marketing and promotion activities conducted by the City of Stillwater and other local organizations throughout the year. One will find the icons throughout the Visit Stillwater webpage – VisitStillwater.org, the *Stillwater Guide to the Local Scene*, social media posts, blogs, *News Press* columns, and rack cards.

There were four drawings for a \$50 gift card for individuals spending over \$100, three drawings for a \$100 gift card for individuals spending over \$250, and two drawings for a \$250 gift card for individuals spending over \$500.

## Fly Home for the Holidays

Starting in November, Visit Stillwater kicked off the Fly Home for the Holidays campaign. From November 17, 2023, to January 7, 2024 residents and visitors were encouraged to shop, dine, and stay in Stillwater. Anyone who spent \$50 or more could be entered to win 1 of 3 \$500 American Airlines Gift Cards.

The Visit Stillwater Team recorded a :15 radio commercial that flooded the Team Radio and Stillwater Radio markets. Consistent front-page ads and 2 full page ads ran in the News Press over 7 weeks. We wrote our monthly column on the campaign as well as a Q5. Flyers and tabletop signs were delivered to retailers, restaurants, and hotels to put by their registers, at the front desk, and on windows along with buttons for front desk clerks, those at registers, and others to wear.

## Live 22-Foot Christmas Tree

Visit Stillwater was honored to sponsor the live 22-foot Christmas tree that was on display in Downtown Stillwater. It was a great gathering place for holiday photo ops after the Holiday Parade of Lights and throughout the holiday season.

## 405 Day

In April 2023, Visit Stillwater created a one-day event on the day symbolized by our area code, 405 – April 5. This fiscal year, we continued the event to remind visitors and residents to shop Stillwater and that flying American Airlines through Stillwater Regional Airport (SWO) makes travel a breeze.

Anyone who shopped in one of our retail stores or boutiques, dined in one of our many restaurants, grabbed a coffee, filled up with gas, or spent the night during the 24 hours of April 5, 2024, spending \$50 or more, could be entered to win one of five \$100 American Airlines gift cards.

## National Travel and Tourism Week

National Travel and Tourism Week (NTTW) is an annual celebration that underscores travel's essential role in driving our nation's economy, cultivating vibrant communities, and forging connections.

Established by the U.S. Travel Association in 1983, NTTW has become a cherished tradition, celebrating the U.S. travel community and highlighting how travel stimulates economic growth, creates quality jobs, inspires new businesses, and elevates the quality of life for Americans.

This year, Visit Stillwater coordinated the 2nd Annual NTTW Ring Registers Promotion to continue to spotlight the importance of visitor dollars on the local economy, to remind resident of the importance of shopping locally, and to further increase the number of passengers flying through the Stillwater Regional Airport (SWO).

Visitors and residents simply needed to spend a minimum of \$50 and keep their receipts for any hospitality-related purchases from Sunday, May 19, 2024, to Saturday, May 25, 2024, to be eligible to win one of three \$500 American Airlines gift cards.

Visit Stillwater team members are able to enhance marketing and promotion coordinated on behalf of local businesses and even planners through consistent committee attendance throughout the year, such as the Stillwater Communications Team, Downtown Stillwater Cultural District, Downtown Merchants Association, Stillwater Art Integration, Stillwater Arts Council, Payce County Expo Center, and Special Olympics Summer Games Committee.

Additionally, Visit Stillwater team members coordinate and host committees such as Quarterly Hotel Education Luncheons, Market Stillwater (City of Stillwater, OSU Athletics, OSU Brand Management, Visit Stillwater), Core Commercial Districts (Downtown, Campus Corner, The Strip), Stillwater Community Untied (coordinates the MLK Jr and Juneteenth events), and bi-monthly with the Stillwater Chamber of Commerce.

## Oklahoma RedBud Tourism Awards

The Oklahoma Travel Industry Association and Oklahoma Tourism and Recreation Department held the annual RedBud Awards Ceremony at the Edmond Hilton Garden Inn Conference Center on June 11, 2024.

Open to all Oklahoma tourism entities, such as destination marketing organizations, museums, attractions, events, and journalists, the RedBud Awards represent the highest honor given in the Oklahoma tourism industry for outstanding efforts to serve and promote Oklahoma's tourism industry

All entries were evaluated by a slate of tourism professionals on specific criteria including customer service and experience, marketing effectiveness, media relations, variety of audiences reached, value, unique marketing strategies, and overall creativity.

Visit Stillwater was recognized with the top honor as the **2024 Tourism Organization of the Year** and also received the merit award for **Best Brochure or Publication for the 2023 Stillwater Guide to the Local Scene**.

## Accreditation

The globally recognized Destination Marketing Accreditation Program (DMAP) serves as a visible industry distinction that defines quality and performance standards in destination marketing and management. To become accredited, a destination organization must demonstrate compliance with more than 100 performance standards.

Accreditation standards are set by an independent panel of industry veterans representing a diverse selection of destination organizations. Standards are regularly revisited and revised to reflect the evolution of best practices in our industry. Visit Stillwater completed the DMAP process and is now recognized as one of the smallest destination organizations to earn the recognition.

# VISITOR TAX

July 2023 - June 2024

In 1985, a referendum establishing a 4% hotel room tax (visitor tax) was approved. Then recently, on February 8, 2022, Visit Stillwater was successful in passing a referendum by 70% that changed the ordinance from “hotel room tax” to “visitor tax,” modernized the term “hotel” to “lodging,” and increased the tax from 4% to 7% effective July 1, 2022.

The ballot language now states, “Funds collected shall be set aside and used exclusively for the purpose of encouraging, promoting, and fostering conventions, conferences, and tourism development through the use of long-range strategic destination marketing and management professional services and development and maintenance of visitor development amenities for the city, and shall be allocated as follows”:

- 70% - To Visit Stillwater: “Shall be used for long-range strategic destination marketing and management professional services to enhance Stillwater’s economy, image, and quality of life through the promotion, marketing, and development of the visitor economy.”
- 30% - To the City of Stillwater: “Shall be administered by the Stillwater Economic Development Authority as recommended by the Tourism Advisory Committee (Resolution No. SEDA-2019-2) and used for the development and maintenance of visitor development amenities for the city.”

The professional services agreement between the Stillwater Economic Development Authority (SEDA) and Visit Stillwater specified the sum of \$1,120,000 of the visitor tax would be utilized by Visit Stillwater to carry out the services outlined within the Visit Stillwater business plan and scope of work.

# VISIT STILLWATER DELIVERABLES

July 2023 - June 2024

The fiscal year 2024 contract includes a more streamlined scope of services and an expanded report tracking spreadsheet. The updated format will better illustrate the wide variety of destination marketing and management professional services provided by Visit Stillwater in the areas of marketing and communications, meetings and events sales and services, visitor experiences, advocacy, destination and economic development partnerships, industry relations, and administration.

The Visit Stillwater team worked diligently with CRM (customer relationship management), CMS (content management system), and digital marketing experts at Simpleview to document activities managed through the web-based platform. Simpleview is the worldwide leading provider of CRM, CMS, website design, and digital marketing technologies for destination marketing and management organizations. The Simpleview platform also integrates with virtually all of our industry partner services that enhance our efforts throughout the year.

Enhanced capabilities enable us to track efforts that were not documented through Simpleview in previous years. And, while the system was recently further customized to better document daily activities, it is a conservative reflection of all of the calls, requests, and wide variety of assistance provided to both visitors and residents daily.
