GAME NOTES

Facing WVU - Here's The Scout
- Oklahoma State is set to continue conference play Monday when it returns to GIA for the first of two-straight home games to play host to No. 24 West Virginia at 6 p.m. CT. Mark Neely and Chris Spatola will have the call on ESPNU while Cowboy fans can listen to Dave Hunziker and John Holcomb on the Cowboy Radio Network or Varsity App.
- West Virginia comes into the 23rd meeting between the two schools with a 10-3 record after dropping its conference opener on the road at Kansas State on Saturday night in overtime. Erik Stevenson has led the way, averaging 13.9 points per game. WVU is 1-2 this year on the road with an impressive 81-56 win at Pittsburgh on Nov. 11.
- The series between the two schools sits at 11-11 as Oklahoma State has won three of the past four dating back to 2021. OSU also won four of the first five games in the series that dates back to 1958. The Cowboys have averaged 71.4 points in the 22 games and are 6-4 overall in the past 10 meetings between the two Big 12 schools.
- West Virginia head coach Bob Huggins was selected to the Naismith Memorial Basketball Hall of Fame in 2022. He ranks second in total victories among active Division I head coaches and has the fourth-most wins in college basketball history among Division I head coaches.
- West Virginia has plenty of experience with Oklahoma State's Avery Anderson III. In seven games against WVU, Anderson has averaged 12.7 points (89 total points) and 4.7 rebounds in 183 minutes of action.

The New Sheriffs In Town
- John-Michael Wright, a High Point transfer, brings experience and poise to the Oklahoma State locker room. In the 2021-22 season, his junior year of eligibility, he played and started in all 32 games for High Point while averaging 34.9 minutes per contest. He shot .410 from the field and .363 from behind the arc as he averaged 18.4 points, 4.4 rebounds and 3.4 assists.
- He finished the year with the eighth-best assist-turnover ratio in the Big South, the ninth-best field goal percentage, had the second-most free throw attempts (third-most made), led the conference in scoring average and had the eighth-most assists.
- Alongside Wright from the transfer ranks is Caleb Asberry from Texas State. He started all 29 games during the 2021-22 season, the only Bobcat to do that, as he led the team in scoring with a career-high 13.6 points and also paced the team in minutes played (847), steals (37), three-pointers made (63).
- Asberry was notably a two-time All-Sun Belt (2021: Third Team, 2022: First Team) selection.
- The lone freshman of the group, Quion Williams, joins the Cowboys from Jonesboro. During his high school career, Williams helped lead his team to two state championships and a 30-3 record.

Early Season Quick Hitters
- Moussa Cisse has dominated through 13 games with five double-doubles to his name so far. The five double-doubles are the second most in the Big 12, only behind Jalen Wilson of Kansas with six. Cisse is four double-doubles away from becoming the first Cowboy since Bryant "Big Country" Reeves to post 10 or more in a season.
- After the Wichita State result, Oklahoma State has now held at least one opponent to less than 50 points in a game in back-to-back seasons for the first time since 2016.
- There have been 17 seasons since the 2000-01 year that OSU had at least one game holding an opponent to less than 50 points while the program has done so in back-to-back seasons 13 times during the stretch.
- Cisse is one of just 14 players in the country averaging at least 10 rebounds per game through the completion of last Wednesday's action.
- OSU has found its stride on the offensive side of the ball over the past five games. The Cowboys have shot .441 from the field and .383 from behind the arc on their way to a 3-2 record. Avery Anderson III has notably gone 13-for-13 at the free throw line.
- Coming into Monday's play Anderson has posted a Big 12-best .907 free throw percentage.
- Over the past five games, Cisse has recorded 11 blocks. The five Cowboy opponents have had just 10 all together.
- Thanks to Cisse and Kalib Boone, OSU comes into the second game of Big 12 play as the only school with two players in the top-8 for blocked shots.

The Upcoming Schedule
- Each of OSU's first three opponents are ranked inside the AP Poll while seven of their first eight are ranked or receiving votes.
- Oklahoma State has a quick turnaround to open Big 12 play, as it gets set to play host to No. 24 West Virginia on Monday night. The series, which dates back to 1958, is tied at 11 as the Cowboys have won three of the past four.
- From there, OSU will welcome No. 6 Texas to GIA before hitting the road to face Kansas State and No. 12 Baylor.
- After the two-game road swing, Oklahoma State is set to return home to play host to Bedlam and in-state rival Oklahoma on Jan. 18.

GAME NOTES

Last Time Out

Dec. 31, 2022 | Lawrence, Kansas | AFH

OKLAHOMA STATE	67
NO. 4 KANSAS	69

QUICK HITTERS

- **LAWRENCE, KAN. (AP) —** KJ Adams scored the go-ahead basket with 5.8 seconds left, Kansas stopped Oklahoma State twice at the other end, and the No. 4 Jayhawks came back from 15 down to beat the Cowboys 69-67 on Saturday in the Big 12 opener for both teams.
- Jalen Wilson scored 20 points and Adams finished with 14 to lead the Jayhawks (12-0), who trailed 45-30 at halftime but used a 22-5 run in the opening minutes of the second half to not only wipe out the deficit but take the lead.
- Kansas took a 65-64 lead on Kevin McCullar Jr.'s 3-pointer with 45 seconds left, and Wilson added two free throws a moment later to stretch the lead. But the Cowboys' Bryce Thompson, who began his career at Kansas and matched a career high with 23 points, drilled a 3-pointer with 14.8 seconds left to tie the game at 67.
- The Jayhawks raced up court, got the ball to Adams and he made a nifty lay-in to regain the lead.
- Oklahoma State lost the ball out of bounds at the other end trying to score in transition. With 1.1 seconds on the clock, the Cowboys got the ball to Thompson, whose shot was swatted by Wilson from behind. The final inbound pass with a couple of tenths left was tipped by the Jayhawks, ending the game.
- **BOX SCORE:**

The Defense Lately

- Has not allowed 30 points in eight of the past 16 halves of action and hasn't let opponents reach that mark in 20 of the past 34 dating back to last season.
- Has held teams to 60 or less points in five of the past eight games and hasn't allowed a team to score 61 or more in eight of their past 15 games dating back to last year.
- Has held teams to less than 40 percent shooting from the field in 14 of its past 15 games dating back to last year and has done so in 18 of their past 22 games. To expand, only four teams (SIU, DePaul, Virginia Tech and Kansas) have shot 38 percent or better this season against the Cowboys. Behind the arc, eight of OSU's 13 foes have shot less than 30 percent this year.
- Has started its success early in its 10 contests as it has held teams to less than 10 points in the first 10 minutes of a game three times this season.

Moussa Is A Monster

- If you only counted his blocks at home (19), Moussa Cisse would still have the second-most blocks in the Big 12 as of Dec. 31. He has recorded at least one block in each of his past 23 games. There have been just three games in his Oklahoma State career in which he did not record at least one block. In his home game against Sam Houston earlier this season, he recorded four blocks. It marked the fourth time this season he recorded four or more blocks and was the eighth time he posted two or more in a game this year.
- Through the first six home games this season, Cisse is averaging a block approximately every 9 minutes of his playing time in Gallagher-Iba Arena.
- As of Thursday, he checked in at No. 6 in KenPom's block percentage rankings only behind Milwaukee's Ahmad Rand, Cal Baptist's Tim Ighoefe, Western Kentucky's Jamarion Sharp, San Jose St. Ibrahimo Diallo and Liam Robbins of Vanderbilt.
- In his last four home games, Cisse has combined to post 43 points, 12 blocks and 46 rebounds.
- It's been tough to keep him off the boards this year, as he has posted 10 or more rebounds in five of his past seven games and has reached the mark in nine of his first 13 games.

Moussa Got Better Last Season - And Here's The Numbers To Show It

- Based on his first 15 games in Stillwater last season, in comparison to the final 15 of last year, the evidence shows Moussa Cisse got better as the year went along and was playing his best basketball at the end of the season.
- Through his first 15 contests as a Cowboys, Cisse was shooting 49.2 percent from the field while averaging 5.4 rebounds, 6.4 points and was playing 17.5 minutes per game.
- Flip it to the last 15 games, and Cisse shot 61.5 percent from the field while averaging 7.5 rebounds with 8.1 points and was playing 22.4 minutes per game.
- Just looking at the last 10 games of the season, he recorded a double-double in three contests (West Virginia, Baylor and Oklahoma) and had multi-digit rebounds in six of them, including all of the final four.
- In that stretch of games down the stretch, the numbers immediately jump out from the West Virginia win on Feb. 12. Cisse posted 18 points with 10 rebounds, six of which came on the offensive side of the ball.

The 100 Games Played Club Gained Two More

- Oklahoma State's Avery Anderson III and Kalib Boone both played in their 100th game in a Cowboy uniform on Saturday against Kansas in the Big 12 opener for the Cowboys. In doing so, they became the first two players on the current roster to play 100 college basketball games. John-Michael Wright, who transfered in, will play his 100th basketball game on Monday night.
- Other notable members of the club include Darwyn Alexander, Joe Adkins, James Anderson, Markel Brown, Terry Collins, JamesOn Curry, Byron Eaton, Marcus Dove, Phil Forte, Isaac Likekele, Desmond Mason, Ivan McFarlin, Marshall Moses, Keiton Page and more.
- Anderson III's first game came on Nov. 6, 2019, in an 80-75 win against Oral Roberts in Gallagher-Iba Arena. He played 13 minutes with five points, two steals and an assist.
- Kalib Boone's first game was the same night. He played 10 minutes, bringing in four rebounds and recorded two blocks.

The Winning Formula This Year

- In its eight wins this season, Oklahoma State has three players (Avery Anderson III, Bryce Thompson and John-Michael Wright) averaging at least 11 points per game.
- The Cowboys have shot 35.9 percent from behind the arc in their victories while allowing their opponents an average of just 59.1 points per game.
- For comparison, in the five losses just two players (Anderson and Thompson) have averaged at least 10 points or more while OSU has shot 30.0 percent from three. Opponents have still averaged just 66.8 points per game in the Cowboy losses.
- Sharing the ball, alongside sharing the scoring, has been key as well. OSU has averaged 16.0 assists per game in wins while averaging 11.0 in losses.
- Turnovers have been another winning indicator as the Cowboys have averaged 14.4 in wins while forcing an average of 14.4 in contrast to an average of 15.8 in losses while opponents are averaging 11.8

GAME NOTES

Defense First - Because It Wins Games
- Oklahoma State allowed just 12 of its 30 foes to score more than 70 points in a game last season and had the 4th-best adjusted defensive efficiency, according to Kenpom.
- A big point of that was turnovers as the Pokes posted the 17th best turnover percentage in the country last season while holding teams to 43.7 percent from inside the arc.
- Once teams found their way in the paint, things didn't get much easier as the Cowboys had the seventh-best block percentage in the country to go along with the 23rd best steal percentage.
- The Cowboys closed the season with a bang on the defensive side. After holding Iowa State to just 36 points on the road, they turned around just three days later and held Texas Tech to just 51.
- Iowa State came into the game in Ames shooting 44.6 percent from the floor and 33.4 percent from three. In the Oklahoma State win, OSU held the Cyclones to 28.3 percent shooting from the floor and 11.8 percent from three. The Cowboys also held the Cyclones to 16 points in the second half, which was the lowest Iowa State point total in any half last year.

Single Game Records Taken Down And Top Performances Last Year
- The Cowboys' 43-point victory on opening night against UT-Arlington was the largest since the 51-point victory vs. Southeastern Louisiana on 12/29/19.
- The Cowboys were able to finish the first half with a 43-14 lead in that game. The 29-point lead matches the 12th largest halftime lead in school history and the largest since 2016.
- Oklahoma State logged 11 steals in the first half against Prairie View A&M on 11/14, which tied for the third most in a half in school history and was the most since 11/23/16 vs. Georgetown.
- Oklahoma State had six total players score in the double-digits against Charleston on 11/22, which marked the first time last season and the first time since Iowa State in January of 2020.
- Bryce Williams recorded a career-high in points with his 29 and a career high in three-pointers made with five in the win over Cleveland State on 12/13. Avery Anderson III also posted 29. This marked the first time OSU had two 20-point scorers since Anderson and Cade Cunningham did it against Baylor in the Big 12 tournament last season on March 12, 2021.
- Bryce Thompson recorded, at the time, a career-best 19 points in the win over No. 1 Baylor on 1/15 in Waco. The win was OSU's first over the No. 1 team in the country on the road in program history. The Cowboys were 0-4 on the road against the top-ranked team prior to that win.
- OSU recorded eight blocks as a team against TCU on 1/19 and later against OU on 2/5 - the most for the Cowboys in a Big 12 game last season.
- Moussa Cisse scored a career-high 18 points on 2/12 in OSU's 81-58 win over West Virginia.
- It was a career day for a few Cowboys on 2/19 in the win over Kansas State. Bryce Thompson scored a career-high 23 points to break his previous high of 22, which came in Manhattan earlier in the year against the Wildcats.

An Oklahoma State Win Would...
- Improve the Cowboys to 12-11 all-time in the West Virginia series.
- Push the Cowboys to 5-6 at home in the series.

Streaks and Trends Coming
- OSU has made at least one three-pointer in 740 consecutive games dating back to Jan. 13, 2001.
- The Cowboys have posted ten or more assists in 22 of their past 25 games dating back to last season.
- Dating back to last season, OSU has held 16 of its past 17 opponents under their season scoring average.
- Oklahoma State has used its size to dominate in the paint offensively, outscoring ten of its 13 opponents in the paint.
- Bryce Thompson has hit at least four three-pointers in five of the past eight games, asserting himself as a deep-ball threat.
- Moussa Cisse has now recorded at least one block in each of his past 23 games. There have been just three games in his Oklahoma State career in which he did not record at least one block.
- Cisse has reached at least two blocks in 14 of the past 17 games dating back to last season, tallying 48 total in those 17 games.
- Cisse has reached three blocks in eight of the Cowboys 13 games this season.
- As a team, the Cowboys have reached at least three blocks in all 13 games this season. OSU leads the Big 12 with 5.2 blocked shots per game.
- Avery Anderson III has made a name for himself with his hounding on-ball defense. The senior guard has recorded at least two steals in 10 of the Cowboys first 13 games, and 12 of 15 games dating back to last season.
- The Cowboys have made 10 or more free throws in nine of the first 13 games this season after doing so in 18 of their 30 games last season.

Noting The Program

Five Oklahoma State representatives have earned the highest honor in basketball - enshrinment in the Naismith Memorial Basketball Hall of Fame in Springfield, Massachusetts. From Bob Kurland, who went into the Hall in 1961, to Eddie Sutton's selection in 2020, Cowboy basketball has made its presence felt in the world of basketball. Among its peer schools in the Big 12, only Kansas has more Naismith Hall of Famers than Oklahoma State.

Four members of the Cowboy family have also earned a place in the National Collegiate Basketball Hall of Fame in Kansas City, Missouri. The Hall opened in 2006, and Mr. Henry Iba, Don Haskins and Bob Kurland were all enshrined in the inaugural class. Eddie Sutton earned his spot in the Hall in 2011.

OSU was the first Division I men's basketball program to win back-to-back national titles. Then known as the Aggies, Oklahoma A&M produced the best record in school history, going 31-2. A&M became the first school in NCAA history to win back-to-back national basketball titles in front of 18,479 fans inside Madison Square Garden.

The Aggies defeated long-time rival Kansas 49-38 for the district title and defeated Baylor 44-29 in the semifinals of the Western Regionals in Kansas City. A 52-35 victory over California in the regional finals sent A&M to New York for the second-consecutive year, this time against North Carolina.

The Aggie defense was dominant, limiting the Tar Heels to just 17 points at halftime and holding on for a 43-40 victory.

Kurland led the nation in scoring, averaging 19.5 ppg. A&M held its opponents to just 32.1 points per contest, leading the nation in scoring defense.

Alongside Kurland, Parks and Williams were later silver medalists at the FIBA World Championships. A.L. Bennett, a sophomore at the time, was named an All-American two years later.
