RHODE ISLAND COMMERCE CORPORATION
MEETING OF DIRECTORS
PUBLIC SESSION
January 14, 2022

The Board of Directors of the Rhode Island Commerce Corporation (the "Corporation") met on January 14, 2022, in Public Session, beginning at 3:30 p.m., pursuant to the public notice of meeting, a copy of which is attached hereto as **Exhibit A**, as required by applicable Rhode Island law.

The following Directors were present and participated throughout the meeting as indicated: Governor Daniel J. McKee, Bernard Buonanno, III, David Chenevert, Dr. Brenda Dann-Messier, Mary Jo Kaplan, Michael McNally, Donna Sams, Bill Stone, and Karl Wadensten.

Directors absent were: George Nee and Vanessa Toledo-Vickers.

Also present were: Secretary of Commerce Stefan Pryor; Jesse Saglio, President & COO; and Christopher J. Fragomeni, Esq.

1. **CALL TO ORDER AND OPENING REMARKS.**

The Governor called the meeting to order at 3:45 p.m., indicating that a quorum was present.

2. **TO CONSIDER FOR APPROVAL MEETING MINUTES.**

Mr. Stone requested that the minutes for December 20, 2021 be amended to reflect that the Board had a robust and substantive conversation about the budget and having a committee review the Corporation's budget after the Board voted to advance the budget to a final review.

Upon motion duly made by Mr. Stone and seconded by Dr. Dann-Messier, the following vote was adopted:

VOTED: To approve the public session meeting minutes for the December 20, 2021 meeting, subject to the edits requested by Mr. Stone, as presented to the Board.

Voting in favor of the foregoing were: Bernard Buonanno, III, David Chenevert, Dr. Brenda Dann-Messier, Mary Jo Kaplan, Michael McNally, Donna Sams, Bill Stone, and Karl Wadensten

Voting against the foregoing were: none.

3. TO CONSIDER THE APPROVAL AND ESTABLISHMENT OF RI REBOUNDS SMALL BUSINESS AND IMPACTED INDUSTRY PROGRAM(S) AND AUTHORIZE ADDITIONAL FUNDING TO PROJECT MANAGEMENT AND PROGRAM SUPPORT VENDORS, TECHNICAL ASSISTANCE PROVIDERS, AND OUTREACH AND MARKETING VENDORS PERTAINING TO THE RI REBOUNDS INITIATIVE.

Secretary Pryor explained that the General Assembly passed a package of incentives totaling \$45 million for small businesses, impacted industries, housing and human services, and childcare as part of the State Fiscal Recovery Funds allocation to the State. He noted that \$32 million of those funds have been appropriated to assist small businesses through a \$12.5 million program for direct payments to businesses for lost revenue; \$10.5 million for a technical assistance program to support long-term business capacity building; \$7.5 million for capital improvements for public health upgrades and outdoor programming; and \$1.5 million in funds to support administrative costs of the program. Further, he stated, \$13 million of the total funds will be used to support tourism, hospitality, and event industries through \$8 million in direct payments to businesses for lost revenue; \$3 million to support outdoor and public space capital improvements and event programming; and \$2 million to support tourism marketing. These collective efforts, he stated, are known as the "RI Rebounds Initiative."

Secretary Pryor described the Small Business Grant Program, a component of RI Rebounds. He recounted that last year, the Corporation initiated the small business relief grant program, which was successful, user friendly, and reduced barriers for small businesses to apply. He noted that the Small Business Grant Program will share characteristics with the prior well-received and successful program. Secretary Pryor noted, though, that the Corporation will enable businesses with smaller impacts from the pandemic to qualify and require the submission of less documentary evidence in the application. All that information, he stated, will be collected through self-attestations, of which five percent will be randomly audited to ensure compliance and accountability. He explained that the Small Business Grant Program is authorized to provide for grants up to \$10,000 per business.

Secretary Pryor outlined the technical assistance program. He noted that a portion of the program funds will be directed to assist businesses in applying for grant funds from the Corporation. He recounted that the Board previously authorized the engagement of technical assistance vendors, and those vendors will be conducting the technical assistance outreach effort.

Secretary Pryor explained the Tourism, Hospitality, and Events Industries Grant Program, stating that it will provide \$8 million in direct grants to companies in the impacted industries of tourism, hospitality and events. To be eligible, he stated, a company will need to demonstrate a negative impact on their business as a result of COVID-19.

Secretary Pryor also explained the programs for public health upgrades, outdoor programming, and placemaking. He recounted that the Corporation previously ran a similar program, the Take it Outside program, which was successful in funding restaurants and other retail businesses to establish, expand and support outdoor operations. This program, he stated, will

provide similar grants as well as grants to improve indoor ventilation and to invest in downtown improvement districts.

Secretary Pryor stated that the Corporation is trying to mobilize these programs quickly, and, to do so, it is engaging upon its current vendors to assist, including Witt O'Briens, which is assisting with the Small Business Grant Program. He explained that the Corporation is planning to use up to \$4.5 million to pay for the administration of these programs, which is ten percent of the \$45 million appropriated in the legislation and consistent with both Federal guidelines and past experience running pandemic-era small business programs.

Mr. McNally indicated that he thought the money should be used in other ways, but noted that the General Assembly expressly stated how the money should be used. Secretary Pryor stated that the Corporation has been broadly canvassing small businesses across sectors statewide to determine their needs, and many responded that they needed money to cover continuing revenue challenges, increased staffing costs and other increased expenses. He also discussed the creation of a "back office" voucher program to assist companies with the costs of payroll and accounting services through the aforementioned technical assistance program.

Secretary Pryor and Mr. Buonanno discussed the sizes of potential grants, and Mr. Wadensten asked whether companies that previously received a grant from the Corporation could receive another grant. Secretary Pryor responded that the Corporation will require a determination of need for a company to be eligible for a grant and explained that the prior grant program was for losses for 2019-2020, and that this program will be for losses in 2021; therefore, there is no potential for a company to "double dip."

Mr. Chenvert expressed his concern about the administrative burden of applying for the grant programs and their difficulty in navigating the required application forms. Secretary Pryor reiterated that the Corporation is engaging technical assistance vendors to assist companies with the application process. In response to a question from Ms. Sams, Secretary Pryor stated that the Corporation will develop key performance indicators with its vendors to determine the effectiveness of the programs.

Upon motion duly made by Ms. Sams and seconded by Dr. Dann-Messier, the following vote was adopted:

VOTED: To approve the establishment of RI Rebounds Small Business and Impacted Industry Program(s) and to authorize additional funding to project management and program support vendors, technical assistance providers, and outreach and marketing vendors pertaining to the RI Rebounds Initiative pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: Bernard Buonanno, III, David Chenevert, Dr. Brenda Dann-Messier, Michael McNally, Donna Sams, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

Ms. Kaplan recused from consideration of this agenda item.

A copy of the resolution is attached hereto as **Exhibit B**.

4. **TO CONSIDER EXTENSIONS OF BUSINESS ATTRACTION ADVERTISING AND PUBLIC RELATIONS CONTRACTS.**

Anika Kimble-Huntley, the Corporation's Chief Marketing Officer, stated that two contracts with Ink House—the Corporation's social media support agency—and Duffy Shanley—the Corporation's public relations agency relative to the blue economy and special contracts—are set to expire on January 31, 2021. She requested that the Board authorize the extension of those contracts in the amounts of \$45,000 and \$40,000, respectively, to the end of March, 2022 while an RFP for those services is completed.

Upon motion duly made by Mr. Buonanno and seconded by Mr. Wadensten, the following vote was adopted:

VOTED: To approve extensions of business attraction advertising and public relations contracts as presented to the Board.

Voting in favor of the foregoing were: Bernard Buonanno, III, David Chenevert, Dr. Brenda Dann-Messier, Mary Jo Kaplan, Michael McNally, Donna Sams, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

There being no further business in Public Session, the meeting was adjourned by unanimous consent at 4:43 p.m. upon motion made by Mr. Wadensten and seconded by Ms. Kaplan.
