# RHODE ISLAND COMMERCE CORPORATION MEETING OF DIRECTORS PUBLIC SESSION July 26, 2021

The Board of Directors of the Rhode Island Commerce Corporation (the "Corporation") met on July 26, 2021, in Public Session, beginning at 5:00 p.m., pursuant to the public notice of meeting, a copy of which is attached hereto as **Exhibit A**, as required by applicable Rhode Island law.

The following Directors were present and participated throughout the meeting as indicated: Governor Daniel J. McKee, David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Directors absent were: Bernard Buonanno, III, Mary Jo Kaplan, George Nee, Donna Sams, and Vanessa Toledo-Vickers.

Also present were: Secretary of Commerce Stefan Pryor; Jesse Saglio, President & COO; and Douglas Giron, Esq.

#### 1. CALL TO ORDER AND OPENING REMARKS.

The Governor called the meeting to order at 5:01 p.m., indicating that a quorum was present.

#### 2. TO CONSIDER FOR APPROVAL MEETING MINUTES.

Upon motion duly made by Dr. Dann-Messier and seconded by Mr. Stone, the following vote was adopted:

**<u>VOTED</u>**: To approve the public session meeting minutes for the June 28, 2021 meeting as presented to the Board.

Voting in favor of the foregoing were: David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

## 3. TO CONSIDER A GRANT UNDER THE P-TECH PROGRAM TO THE COMMUNITY COLLEGE OF RHODE ISLAND.

Secretary Pryor stated that the P-TECH program, which was started approximately five years ago, is currently in place at six different locations across the State. He explained that P-TECH is a program by which high schools across the State partner with employers and the Community College of Rhode Island ("CCRI") in an effort to expose students to internships and

workplace experience, while simultaneously obtaining a high school diploma and an associate degree.

Daniela Fairchild, the Corporation's Director of Operations and Special Projects, stated that before the Board for approval was a grant to CCRI in the amount of \$30,000 to assist with (1) tuition reimbursement directly to CCRI for second summer courses for P-TECH students; (2) textbook costs for P-TECH students; and (3) transportation costs, such as bus passes, for P-TECH students. In response to questions by Mr. Wadensten and Mr. Stone, Ms. Fairchild and Secretary Pryor discussed how only recently, given the program's age, are students maturing through the program to college. In response to questions by Dr. Dann-Messier, Secretary Pryor stated that it's hoped that the PTECH program will expand to two or three more schools within a few years, and that the program is generally school-specific, except for the program at the William M. Davies, Jr. Career & Technical High School, which is statewide. The Governor noted that there is data that shows that P-TECH-type programs create diversity in schools, and Ms. Fairchild, in response to a question by Mr. Chenevert, stated that while a portion of the grant will be for bus passes, school districts can provide transportation to P-TECH students and receive a reimbursement.

Upon motion duly made by Mr. Stone and seconded by Mr. Chenevert, the following vote was adopted:

**VOTED:** To approve a grant under the P-TECH Program to the Community College of Rhode Island pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit B**.

# 4. TO CONSIDER A GRANT TO THE UNIVERSITY OF RHODE ISLAND RESEARCH FOUNDATION TO SUPPORT THE RHODE ISLAND 2030 PLANNING PROCESS.

This agenda item was considered together with the next agenda item.

Secretary Pryor stated that the Governor has directed the Corporation to initiate a process of planning for immediate relief as the State emerges from the COVID-19 pandemic and to make long-term investments that will benefit the State and advance its economy. He noted that the Governor has conducted a series of conversations with stakeholders to explore what the State's recovery needs, including, among other things, boosting the economy, increasing housing, making services for children and families available, and focusing on the blue economy. Secretary Pryor explained that the Corporation has sought the assistance of the University of Rhode Island Research Foundation ("URIRF") and is proposing a grant to URIRF to assist with the development and planning for these recovery areas.

Ms. Fairchild stated that the proposed grant to URIRF is \$250,000, which will be funded with federal funds. The funding, she states, will allow URIRF to work with professors, economists, and researchers across the State on the State's economy, housing, infrastructure, and services for children and families. The Governor noted the need for local talent to conduct these services and to formulate a plan that can be presented in a comprehensive and understandable manner. Mr. Wadensten agreed with the need for local talent for these services, noting that, in many instances, local Rhode Islanders know the most about the state.

Secretary Pryor noted that URIRF will lead the 2030 planning process, but three external consultants will supplement those efforts to assist the State in applying for federal grants in accordance with the 2030 plan. In response to a question by Mr. McNally, Mr. Saglio stated that the Corporation has previously collaboratively worked with the proposed consultants and URIRF, and that any scope of work for any services will be paid upon the completion of certain tasks and deliverables or the achievement of certain outcomes. In response to a question by Mr. Stone, Secretary Pryor stated that federal funding will be utilized for the 2030 planning process work, and the Corporation's engagement of consultants to assist in the plan will be a combination of federal and State funding. Dr. Dann-Messier suggested involving Rhode Island College in the process. Mr. Chenevert questioned whether the private sector has been involved, and Secretary Pryor noted that the private sector has been consulted in the Governor's community and stakeholder conversations extensively. Mr. Stone clarified that the aggregate funding is \$250,000 and Ms. Fairchild agreed.

Upon motion duly made by Dr. Dann-Messier and seconded by Mr. Chenevert, the following vote was adopted:

VOTED:

To approve a grant to the University of Rhode Island Research Foundation to support the Rhode Island 2030 planning process pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit C**.

# 5. TO CONSIDER THE APPROVAL AND RETENTION OF ONE OR MORE VENDORS TO SUPPORT THE STATE OF RHODE ISLAND'S LONG-TERM ECONOMIC DEVELOPMENT PLANNING PROCESS.

Upon motion duly made by Mr. Nee and seconded by Mr. Wadensten, the following vote was adopted:

**VOTED:** 

To approve the retention of one or more vendors to support the State of Rhode Island's long-term economic development planning process pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit D**.

## 6. TO CONSIDER THE APPROVAL AND RETENTION OF ON-CALL VENDORS TO PERFORM PROJECT AND PROGRAM MANAGEMENT SERVICES.

Mr. Saglio explained that as the Corporation's programs evolve, it needs the ability to flex capacity across the areas of outreach, program design, management and technology, and compliance. As a result, he stated, the Corporation issued a request for proposals to provide those services to the Corporation on an on-call, as-needed basis so the Corporation can supplement its resources to shape the processes of its programs quickly, effectively, and efficiently.

Ms. Fairchild stated that the request for proposals sought the assistance with one or all of six tasks that included outreach, compliance, funding distribution, and technical support. She noted that there were fourteen responses in the first round of the solicitation, and the second round of proposals is due on August 2, 2021. The majority of the responses in the first round of proposals were for "Task 2," which is for business and stakeholder engagement. In response to a question by Mr. Stone, Ms. Fairchild stated that all respondents, except one, are being proposed for approval. Mr. Saglio stated that the majority of the respondents were familiar to the Corporation, and the on-call nature of the solicitation is similar to one that the Corporation previously conducted relative to consultants and service providers to assist in land acquisition and improvements to ProvPort, which is funded through a 2016 bond referendum. Ms. Fairchild noted that one respondent—Social Enterprise Greenhouse—submitted its proposal as a coalition of partners, including several that are dedicated to working directly with women and minority-owned businesses, as well certain minority-owned partners. In the second round, she indicated, the Corporation is making an effort to attract more minority-owned businesses. In response to a question by Mr. Stone, Secretary Pryor stated that much of the work will begin in the next thirty days, with milestones for completion in August.

Upon motion duly made by Dr. Dann-Messier and seconded by Mr. McNally, the following vote was adopted:

**<u>VOTED:</u>** To approve the retention of on-call vendors to perform project and program management services pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit E**.

#### 7. TO CONSIDER APPROVAL OF INNOVATION VOUCHERS.

Christine Smith, the Corporation's Managing Director of Innovation, noted that one Innovation Voucher for goTeff, Inc. ("goTeff") to conduct internal and third-party research, was before the Board for approval. goTeff, she stated, is a good example of businesses that the Corporation should invest in to grow in the State. She explained that the company's president, Saron Mechale, is a graduate of Brown University ("Brown") and started goTeff when she was an undergraduate. She noted how Ms. Mechale used many different services at Brown, like the Nelson Center, and other services, like MassChallenge, RI Hub, and Venture Mentoring Services, to establish her business. Ms. Smith stated that goTeff is at a point where it is developing a consumer-packaged superfood, which is developed from ancient, grain-grown foods from Ethiopia. The company, she stated, has outgrown its incubator at Hope and Main, and is relocating to a commercial facility in Providence, and that the funding proposed to the Board would assist goTeff in bringing its food products to commercial market. Ms. Mechale described some of goTeff's products, and, in response to a question by Mr. Wadensten, stated that, within five years, she hopes that goTeff will have its products for sale in places like Whole Foods.

Upon motion duly made by Mr. Stone and seconded by Dr. Dann-Messier, the following vote was adopted:

**<u>VOTED:</u>** To approve Innovation Vouchers pursuant to the resolution submitted to the Board.

Voting in favor of the foregoing were: David Chenevert, Dr. Brenda Dann-Messier, Jason Kelly, Michael McNally, Bill Stone, and Karl Wadensten.

Voting against the foregoing were: none.

A copy of the resolution is attached hereto as **Exhibit F**.

#### 8. TO RECEIVE PROGRAM UPDATES.

The Governor noted a bill was passed to protect businesses and residents for utility outages and other efforts to assist small businesses. Secretary Pryor stated that the Corporation was successful in assisting the production of WaterFire by using \$300,000 of funding from its marketing budget and small business assistance budget.

Secretary Pryor also noted the creation of a gift card program that the Corporation is sponsoring, under previous authorization from the Board, through the use \$160,000 of its small business assistance budget. The goal of that program, he explained, is that when visitors stay in hotels, they will obtain a gift card to shop at local stores. He noted the success of other states with similar programs.

There being no further business in Public Session, the meeting was adjourned by unanimous consent at 6:18 p.m. upon motion made by Dr. Dann-Messier and seconded by Mr. Chenevert.

- 4. Prior to the execution of an Incentive Agreement with the Recipient, the Corporation shall prepare and publicly release an analysis of the impact that the

- issuance of the tax credits will or may have on the State considering the factors set forth in RIGL § 42-64-10(a)(2) (a copy of which is annexed hereto as Exhibit 3).
- 5. The Authorized Officers of the Corporation for purposes of this Resolution are the Chair, the Vice Chair, the Secretary of Commerce, the President & COO, the Chief Financial Officer or the Managing Director, Head of Investments (the "Authorized Officers"). Re: Rebuild Rhode Island Tax Credit Applications

Date: February 26, 2020

The staff of the Rhode Island Commerce Corporation (the "Corporation") has informed the Office of Management and Budget ("OMB") that it intends to recommend to the Corporation's Board of

as follows:

1. That the application submitted by the Mearthane Products Corporation be approved for tax credits in a maximum amount of \$815,000.00.

Directors (the "Board") five projects for the receipt of tax credits and sales and use tax exemptions under the Rebuild Rhode Island Tax Credit in an amount not to exceed \$6,565,000.00. That recommendation is

- 2. That the application submitted by the Blount Fine Foods Corporation be approved for tax credits in a maximum amount of \$1,000,000.00.
- 3. That the application submitted by RCG Armory Park View, LLC be approved for tax credits in a maximum amount of \$1,000,000.00.
- 4. That the application submitted by 556 Atwells, LLC be approved for tax credits in a maximum amount of \$750,000.00.
- 5. That the application submitted by Peyser Real Estate Group, LLC be approved for tax credits in a maximum amount of \$3,000,000.00, which includes \$1,000,000 in anticipated sales and use tax exemptions.

As of September 23, 2019, the Corporation had approved tax credits and sales and use tax exemptions under the program in the amount of \$153,606,457.82. Since September 23, 2019, there have been two adjustments to sales and use tax exemptions under the program. Exemptions for Ocean State Job Lot were reduced by \$271,459 from the initial estimate after project certification, and changes to the Rebuild tax credits certified for the Providence Commons project reduced the sales and use tax exemptions by \$535,555. The approval of an additional \$6,565,000.00 in tax credits, along with these sales and use tax exemption adjustments, would bring the cumulative total of approved tax credits, sales and use tax exemptions, and/or loans to \$159,364,444. Currently \$59.7 million dollars have been appropriated into the Rebuild Rhode Island Tax Credit Fund. Additional funding is expected in future legislative sessions and section 42-64.20-5(f) authorized aggregate tax credits, sales and use tax exemptions, and/or loans under the Rebuild Rhode Island Tax Credit program in an amount not to exceed \$210 million. Pursuant to section 42-64.20-6(a)(4), OMB confirms that the aggregate credits recommended by the Commerce Corporation do not exceed the maximum aggregate credits allowed under this chapter in accordance with § 42-64.20-5(f).

Based on information provided by the Corporation, OMB anticipates the budget impact to the state of the tax credits, sales and use tax exemptions, and/or loans, if approved, in the year of application and in subsequent years will be as set forth in the attached Exhibit A.

### EXHIBIT 3

## Economic and tax revenue impacts of expansion of Mearthane Products Corporation, Woonsocket

### Impact of construction

- 12 person-years of work in Rhode Island;
- \$760,000 in earnings (in 2020 dollars);
- \$1.99 million in statewide economic output; and
- A one-time increase of \$1.15 million in Rhode Island's GDP.

Table 1: Direct, indirect and total impact of construction (income, value-added and output in millions of 2020 dollars)

Jobs Earnings Value added Output	
<b>Direct</b> 10 \$0.67 \$1.00 \$1.73	
<b>Indirect</b> 2 \$0.09 \$0.15 \$0.26	
Total 12 \$0.76 \$1.15 \$1.99	

Construction spending would directly and indirectly generate approximately \$45,000 in state tax revenue, including:

- \$29,000 in state personal income taxes paid by workers directly employed on the project, or by Rhode Island workers whose jobs are indirectly attributable to the project;
- \$12,000 in state sales taxes paid on those workers' taxable household spending; and
- \$4,000 in state business taxes.

### Impact of operations

- 15 new jobs in Rhode Island;
- \$770,000 in annual earnings (in 2021 dollars);
- \$3.12 million in statewide economic output; and
- An increase of \$1.05 million in Rhode Island's annual GDP.

Table 2: Direct, indirect and total impact of ongoing operations (income, value-added and output in millions of 2021 dollars)

	Jobs E	Earnings V	alue added	Output
Direct	12	\$0.52	\$0.67	\$2.45
Indirect	3	\$0.25	\$0.38	\$0.67
Total	15	\$0.77	\$1.05	\$3.12

MPC's expanded operations would directly and indirectly generate approximately \$45,000 annually in state tax revenue, including:

- \$29,000 in state personal income taxes paid by the workers directly employed in MPC's new-to-Rhode Island jobs, or by Rhode Island workers whose jobs are indirectly attributable to MPC's expanded operations;
- \$12,000 in state sales taxes paid on those workers' taxable household spending; and
- \$4,000 in state business taxes.

During the construction period and the twelve-year period following construction, the proposed project would generate approximately \$585,000 in state tax revenue.
