Celebrate unforgettable LGBTQ+ festivities in these 10 vibrant cities, boasting lively parades, inclusive parties, and diverse communities.

Year after year, members of the LGBTQ community organize Pride parades, protests, and celebrations to fight for equality, recognition, and inclusion. Although these days, Pride celebrations aren't as political as they used to be when they first started, they remain significant in this community. For this reason, many members, if not all, want to attend these celebrations and join the rest in fighting for their rights and having fun.

This year, things won't be different. There are many colorful pride parades across the country worth attending. Many places have big parties, parades, and kakis all around the

world to let LGBTQ travelers fly their rainbow flag high. Many cities in the U.S. welcome and accept gay members and have scheduled special Pride events. Here are the 10 best cities to celebrate Pride Month this year.

## 9 Providence, Rhode Island

*Offers a thriving and celebratory atmosphere*

The city of arts is a fantastic place to spend Pride Month. With many museums and galleries, outdoor enthusiasts will love it. Providence holds several events throughout the year that engage local and out-of-town LGBTQ members. This year, most people cannot wait to attend the annual pride celebration and other activities lined up in this city. Don't miss out on the after-hours parades and festivals.
