7 Hidden Gem Islands In The US

Discover underrated seaside paradise islands in the US promising a cozy and rewarding vacation away from the crowds of popular destinations.

By Neha Bhatiya | May 19, 2024

Summers are loved by many; it's the time when you can turn your leisure mode on and say yesto all sorts of invigorating adventures and relaxing experiences. With a variety of top-rated [summer vacation destinations in the US](#), it's even easier to make travel plans and tick off your bucket list of activities.

However, it's no surprise that warmer months are the peak travel season in America, and all [dreamy island getaways in the USA](#) like Anna Maria Island and Key West will be overcrowded and not-so-peaceful. To help you bypass the chaos of popular yet incredibly busy islands, we've rounded a list of lesser-known, hidden gem islands in America for a vacation, each with glistening coastlines, serene trails, and cozy vibes.

7 Block Island, Rhode Island

Enjoy horseback riding (or riding a moped!) along the beautiful beaches and trails, as well as birdwatching

Nestled in the south of mainland Rhode Island, Block Island is a laid-back summer getaway destination with a surprisingly calm and magical aura. This is the place where you can commune with nature and try new experiences away from the crowds of popular islands in America in the summer.

During the summer season, you can enjoy all the quintessential activities like sailing, hiking, kayaking, and fishing. Additionally, you can go for pony rides and sunset beach rides (consider contacting [Rustic Rides Horse Farm](#) to book a guided tour) and rent a moped to witness the Island's breathtaking beauty.
