In the summertime, Rhode Island is a veritable dream come true. Couples looking for a coastal New England honeymoon should consider this tiny state, which, despite its size, boasts some of the finest accommodations in the region, some of the freshest seafood, and pristine beaches ideal for romantic walks and days in the sun.

Stay at the [Ocean House](#) for a few nights, a New England icon on the shores of charming Watch Hill (fun fact: You can spot Taylor Swift's house from the crochet lawn). Recently reconstructed to preserve its beauty, this five-star hotel's sumptuous suites epitomize coast elegance.

Book several nights at the [Weekapaug Inn](#), which sits on the shores of Quonochontaug Pond and the Atlantic Ocean. The Inn weds casual comforts with luxurious accommodations and feels like a home away from home, with everything you could possibly need or want at your fingertips.
