The Wright Scoop's carhop-uniformed servers will bring your order of farmstead ice cream scoops straight to your car. HANDOUT

CARHOP ICE CREAM

Adapting to the current COVID-19 environment has some local shops returning to business models of yesteryear. (Hello drive-in movie theaters!) In Rhode Island's Blackstone Valley, traditional ice cream stands have adapted to carhop style operations for the summer. Located on the same farm where their milk and cream come from, The Wright Scoop's carhop-uniformed servers will bring your order of farmstead ice cream scoops straight to your car. Choose from a changing selection of flavors, toppings, classic sundaes, and weekly specials to enjoy in your car or take to go. 401-767-3014, www.thewrightscoopri.com
