Fund REVISED: 4/13/2021

Submission Instructions:

- Please submit applications and questions to the REF Staff members at REF@commerceri.com

- Read and review the REF Rules and Regulations before completing this application. A copy of the
 proposed Rules may be obtained by email or accessed online at: http://commerceri.com/wp-content/uploads/2017/12/REF-Rules-and-Regulations-2017-870-RICR-20-00-1-.pdf
- All requirements must be met.
- Incomplete applications will not be processed.
- Awards are dependent on funding availability.
- All applicants are advised that any and all records (documents, correspondence, memoranda, etc.), regardless of the form provided, received or maintained by COMMERCE RI and/or the REF, may be a matter of public record and subject to release under the Rhode Island Access to Public Records Act (R.I. Gen. Laws §38-2-1 et seq.). Commerce RI does however have the right to redact any information which is exempt under the statute before releasing the documents. The exemptions that would most pertain to financing or grant applications include but are not limited to reports and statements of strategy or negotiation, trade secrets and commercial and financial information which is privileged or confidential pursuant to R.I. Gen. Laws §38-2-2. As such, we suggest that any portion of the application or materials provided by the applicant that contains such information (including for example, customer lists, processes, etc. or financial information) be clearly labeled with a legend or marking such as "Confidential information -- Not Public Record". This does not guarantee that the information so marked will necessarily be exempt from public release, as Commerce RI will make any final determination about which information is to be made available to the public, but this will be helpful in identifying any records which may be exempt.

There are two (2) application options. Direct Ownership (DO) or Third- Party Ownership (TPO). Please fill out the relevant sections A and B. Everything under section C and beyond must be completed.
