

## The Best Places to Travel in July

### Newport, Rhode Island

Newport comes alive in July, with a trio of big-name festivals keeping locals and tourists busy all month long: The Newport Regatta (July 9 to 10), Newport Folk Festival (July 22 to 24), and the Newport Jazz Festival (July 29 to 31). The city is no stranger to luxe hotels, but we're particularly excited about the top-to-bottom transformation of [The Vanderbilt](#), [Auberge Resorts Collection](#), which was unveiled last summer. The 33-room resort, housed in a former mansion, is now even more glamorous with a revived lobby area and restaurants.

Or book a stay at [Brenton Hotel](#), which has a “[Pick Your Pastime](#)” summer package series that allows guests to experience Newport-esque activities like private cruises, polo matches, golfing, and mansion tours.
