Black Friday Travel Deals 2020: New Deals Added Daily!

Travel is down this year, so there's a bumper crop of deals to convince you to take future vacations. These are being sold around Black Friday and Cyber Monday—and then they'll be gone.

Now you see 'em—soon you won't! These special Black Friday vacation promotions are fleeting, so if you see something you like, grab it before it's gone. Frommer's doesn't have any specific connections or endorsements in this list; we're just collecting announcements on one page for your convenience.

In addition to the deals below, many airlines and hotel chains such as Marriott and IHG Hotels & Resorts are promoting discounts on purchasing points. If you have points memberships with big travel brands, check with them directly for the status of their offers.

And remember: Always heed local Covid-19 regulations, and if your planned travel takes you to another state or country, it's your responsibility to make sure you meet all testing and entry requirements. Travel responsibly, and stay healthy!

New deals will be added to the top of the list in no particular order until Black Friday. Most will exclude a few dates, such as holidays, from discounts.
