

RI CLEAN ENERGY INTERNSHIP PROGRAM

SPRING 2027

**APPLICATIONS DUE
January 15, 2027**

Are you:

- Involved in the clean energy industry?
- Currently looking for an intern?

The Rhode Island Clean Energy Internship Program, offered through the Renewable Energy Fund at Commerce RI and the Rhode Island Office of Energy Resources, is an internship program focused on increasing real world student learning opportunities in the clean energy sector.

The RI Clean Energy Internship Program reimburses host companies for up to TWO interns at \$17/hour, at 40 hours/week for a 12-week period.
