Pride is all about celebrating who you are and who you love, and really, what's not to love about that? From the rainbow flags to the parades to the declarations of love, there are so many cities in the U.S. that celebrate Pride in style. Every year, the streets of these cities transform into one big party, and it's always so much fun to be a part of it. The events around the nation vary in size, but all share a universal mission of promoting LGBTQ+ equality and human rights. From the streets of New York City to the beaches in Miami, check out our list of the best cities in America to party in for Pride Month.

### 4 Providence, RI

Providence, known as the city of the arts with a host of museums and galleries, holds many events year-round that focus on engaging local and out of town members of the LGBTQ+ community. However, the main attraction of the year is always Providence's annual Pride celebration. This year's festival on June 15 marks the 44th annual RI PrideFest. One of the main festivities for the weekend includes the After Dark Illuminated Parade, one of the only after-hours Pride parades in the country and the only one of its kind in New England.
