20 Quaint New England Inns Perfect for Watching the Leaves Change

By LINDSAY COHN | SEP. 6, 2018

As summer winds down, we can't help but get a little giddy thinking about the chunky knits, hayrides and apple picking that await. But, perhaps, our favorite thing about autumn is watching the leaves change color, and New England is synonymous with fall foliage. So we've rounded up 20 quaint inns and hotels in the Northeast that are perfect for experiencing this colorful phenomenon.

MARGIN STREET INN (WESTERLY, RHODE ISLAND)

Poised on the banks of the Pawcatuck River, Margin Street Inn resides in the town of Westerly, near Watch Hill (where Taylor Swift has a home). Proximity to T-Swizzle aside, the property flaunts seven acres of manicured grounds, tasteful rooms and a dock.
