

# The 7 Most Demure Boutique Hotels For Mindful, Cutesy Travelers

By Lauren Harano | Aug. 16, 2024

What was once a “Brat Summer” is now transitioning into a “Demure Fall,” with TikTok’s latest trend enticing social media users to be mindful, not do too much, and of course, be very cutesy. In honor of the trend, we handpicked our favorite boutique hotels that embody this new ethos so you can enjoy the most demure of all trips. Ahead, learn more about the most mindful and cutesy hotels worldwide.

## The Chanler at Cliff Walk (Newport, Rhode Island)

Upon just looking at The Chanler at Cliff Walk, it’s immediately apparent that this hotel was built extremely mindfully. With the most stunning blend of history and luxury, this restored mansion embodies the grandeur of Newport’s Gilded Age. Each of the 20 rooms (which include Ocean Villas, Garden Villas, Estate Rooms, Manor Rooms, and more) has a distinct theme, ranging from Colonial to French Provincial, which proves the hotel’s attention to detail, enhancing its demure and sophisticated vibe.
