With biking, hiking, and sailing opportunities, [Block Island](#) provides an oceanfront getaway that pleases both thrill-seekers and relaxed beach lovers. This island's remote location makes it perfect for those who enjoy exploring and indulging away from the crowds and want to experience a slower pace of life. The island's stunning dunes, serene salt marshes, and soft, sandy beaches make the island highly appealing for nature lovers. [Visitors can spend a day in Block Island](#) unwinding, taking leisurely walks, enjoying sundown on the porches, and appreciating the island's natural wonders.

- **Places To Visit:** Crescent Beach, [Ballard's Beach](#) , North Light, Southeast Light, [Mohegan Bluffs Trail](#) , Glass Float Project
- **Things To Do:** Hiking, biking, hitting the beaches, sightseeing, fishing, kayaking, and boat excursions
- **Best Time To Visit:** May and September
- **Getting Here:** Block Island Airport and Block Island Ferry

### Tip

Mopeds are an excellent means for tourists to get around Block Island and visit a number of desirable locations.
