

## The Best Places to Go in March 2021

Plan an escape while you wait the arrival of spring.

BY LEENA KIM — JAN 25, 2021

Seasonally speaking, March can be quite the slog. It's still cold in most parts of the country, and spring, though technically on the horizon, feels nowhere near arrival. Why not take this opportunity to plan a getaway? Perhaps you actually like the cold and want one last snowy retreat, or you want to wait out winter's last days from the warm confines of a beach cabana. Whatever your preference, we've rounded up some of the best places for a March holiday, taking in travel restrictions and safety precautions for the ongoing COVID-19 pandemic. Safe travels!

# Newport, Rhode Island

THE CHANLER AT CLIFF WALK

Bid adieu to the season with one last wintry New England getaway. The Chanler at Cliff Walk occupies a real Gilded Age mansion right on Cliff Walk, the famous waterfront path lined with iconic palaces like the Breakers, Marble House, and Rough Point. The Chanler was originally built in 1873 as a summer retreat for New York Congressman John Winthrop Chanler and his wife Margaret Astor Ward (yes, of *those* Astors—she was the great granddaughter of John Jacob). In other words, staying here will get you as close to living like Gilded Age royalty as you can get. Not a fan of the cold? Until the end of the month, outdoor heated and candlelit yurts, decorated in a cozy Scandinavian Hygge style, will dot the property. Along with the moonlit views of the Atlantic, enjoy prix fixe menus based on traditional Nordic cuisine.
