A favorite holiday for kids and adults alike, Halloween is celebrated with haunted houses, parades, parties, fright walks, zombies and ghouls, jack-o-lanterns, and of course trick-or-treating.

Whether your Halloween conjures up sweet visions of never-ending candy, creative costumes, or blood-curdling, nightmarish adventures, the following Halloween events across the U.S. will exceed your expectations.

Providence Jack-O-Lantern Spectacular

This family-friendly jack-o-lantern wonderland at Roger Williams Park Zoo stars over 5,000 elaborately carved pumpkins depicting real-life and imaginary characters from Oct. 4–Nov. 4. A stay in the heart of downtown Providence, Rhode Island's arts and theater district at the boutique Hotel Providence would be a fitting finale.
