Block Island, Rhode Island

Come for the day or dock for an extended period along this iconic New England destination. Block Island features two harbors—New Harbor, which offers three marinas, 90 town moorings, and a 75-acre anchorage, and Old Harbor, which is protected by breakwater and has comparatively shorter anchoring windows. Whether you take the ferry or bring your boat, you'll enjoy all there is to do at Block Island. The island town offers a variety of dining, biking tours, shopping, and historical landmarks and is also a popular wedding destination.
